ST. PATRICK HIGH SCHOOL
CHICAGO, ILLINOIS

What makes a dedicated individual out of a human being? The many and varied characteristics of man lend their support in molding a personage who grows and develops ultimately for serving his Creator. Love of fellow man, fortitude and courage are necessary qualities to achieve this goal. To many these are hard to come by, but for a special few they are the guideposts of true Christian living. Brother K. Gilbert showed these qualities by his striving to make Saint Patrick High School the best educational institution possible. His timely and dedicated efforts in organizing and running a showcase of learning made him the best possible man for the job. A task such as this could only be accomplished by an expert. Unfortunately God chose to take him in the midst of his duties and show him his eternal reward. With these thoughts in mind and in recognition of his faithful service to St. Pat's the Staff of the *Shamrock* dedicates this yearbook to Brother Gilbert, our departed principal.

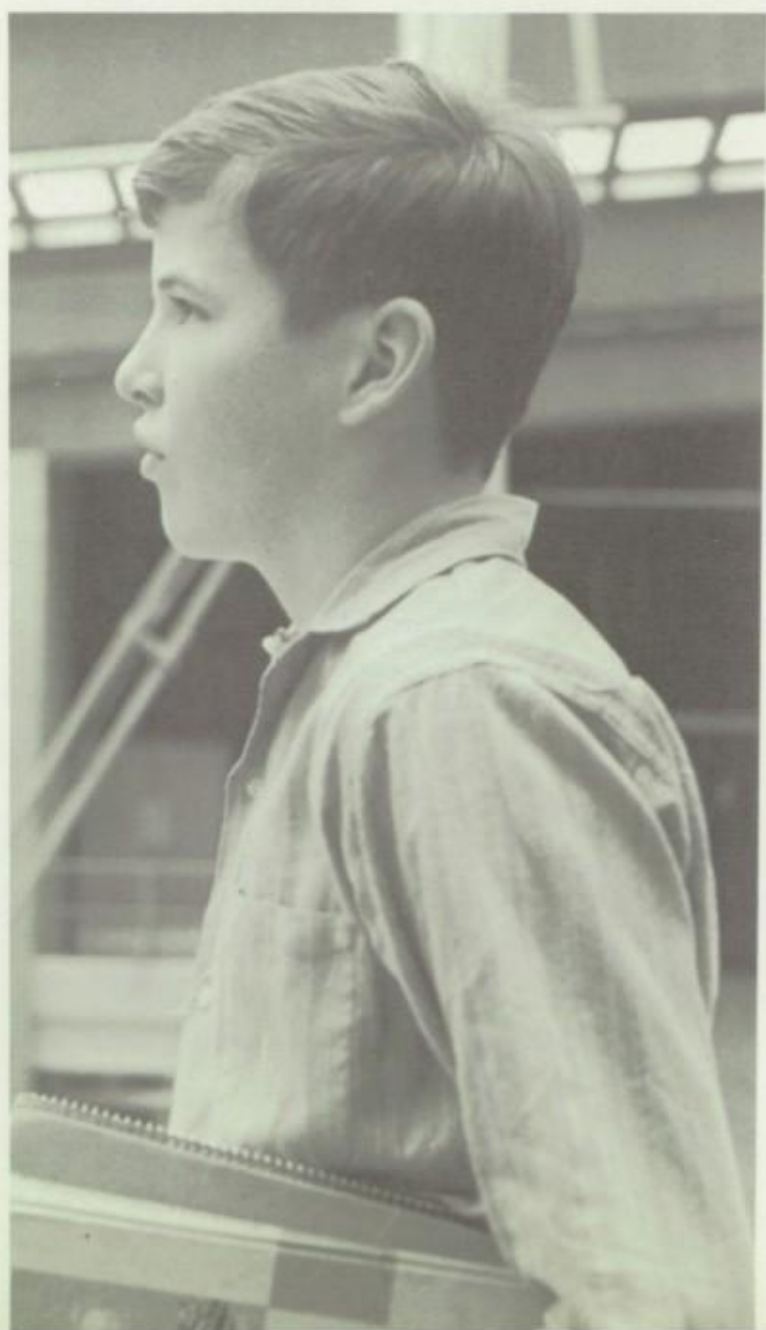

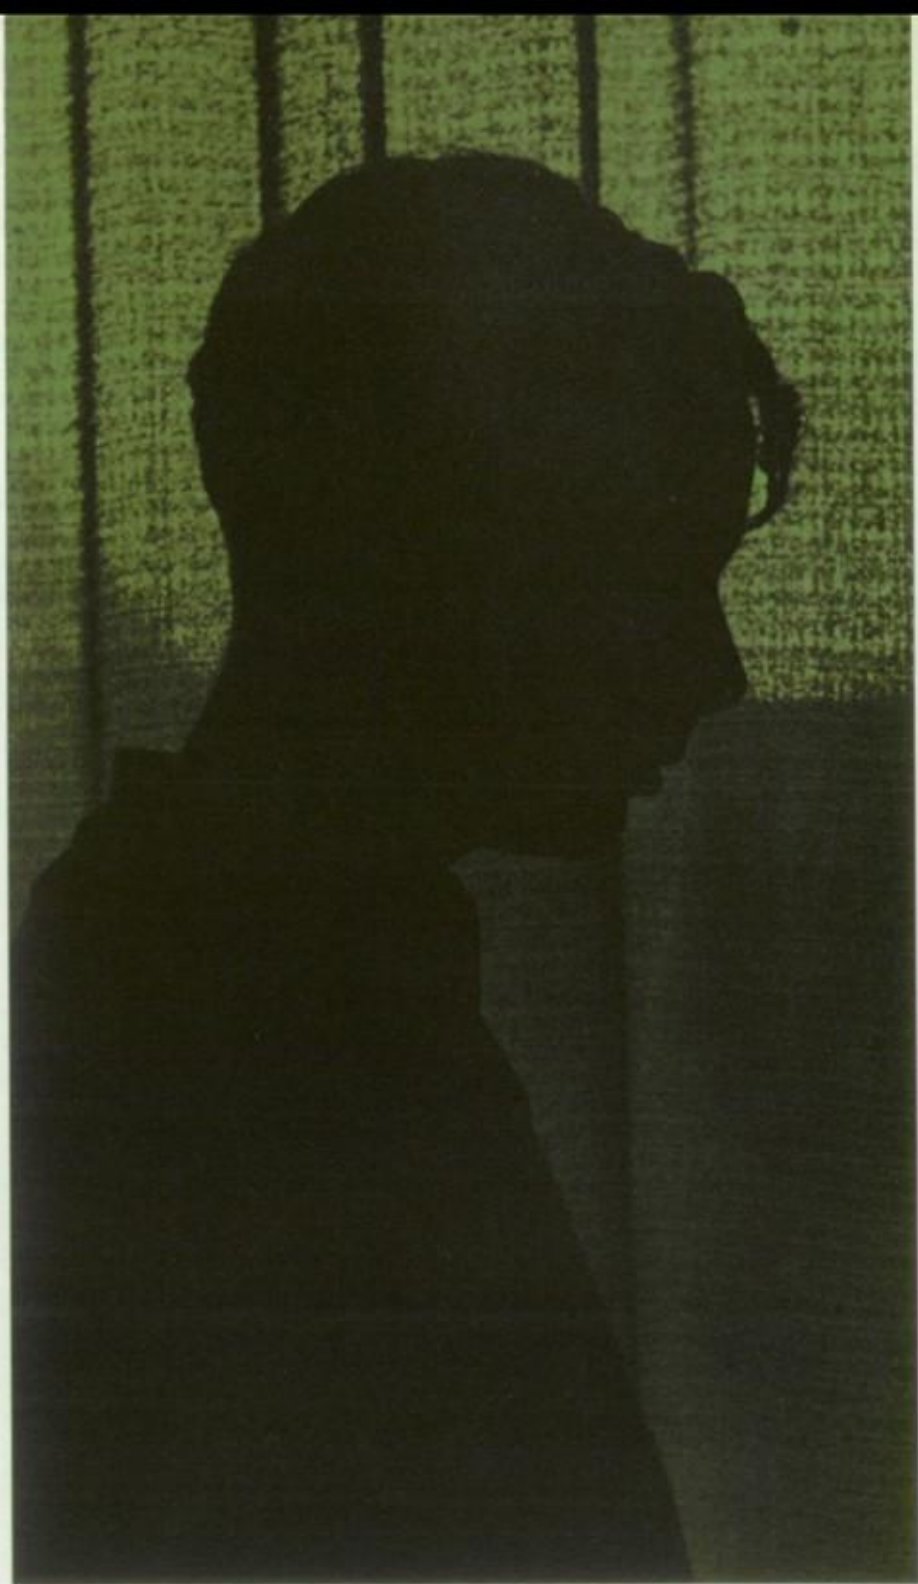

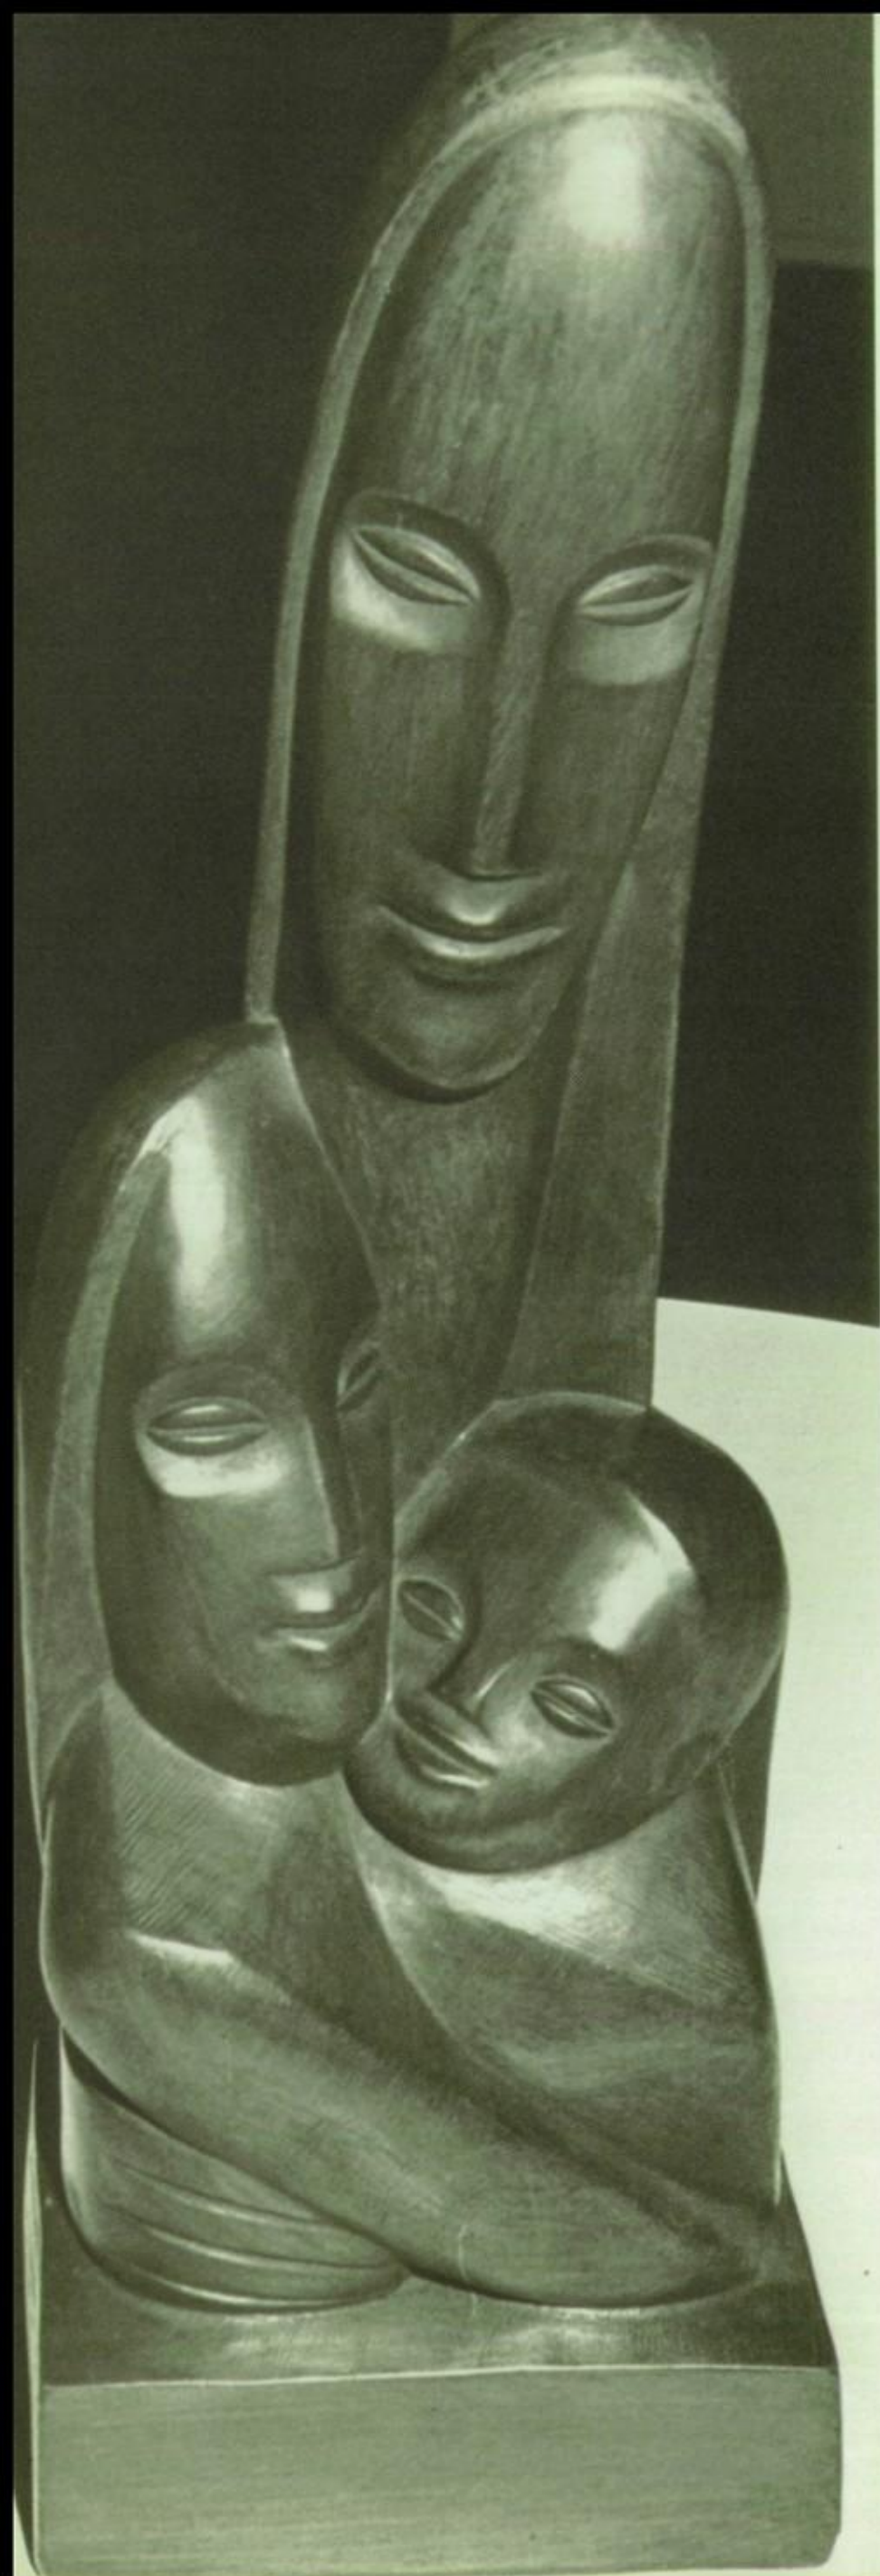

MOODS

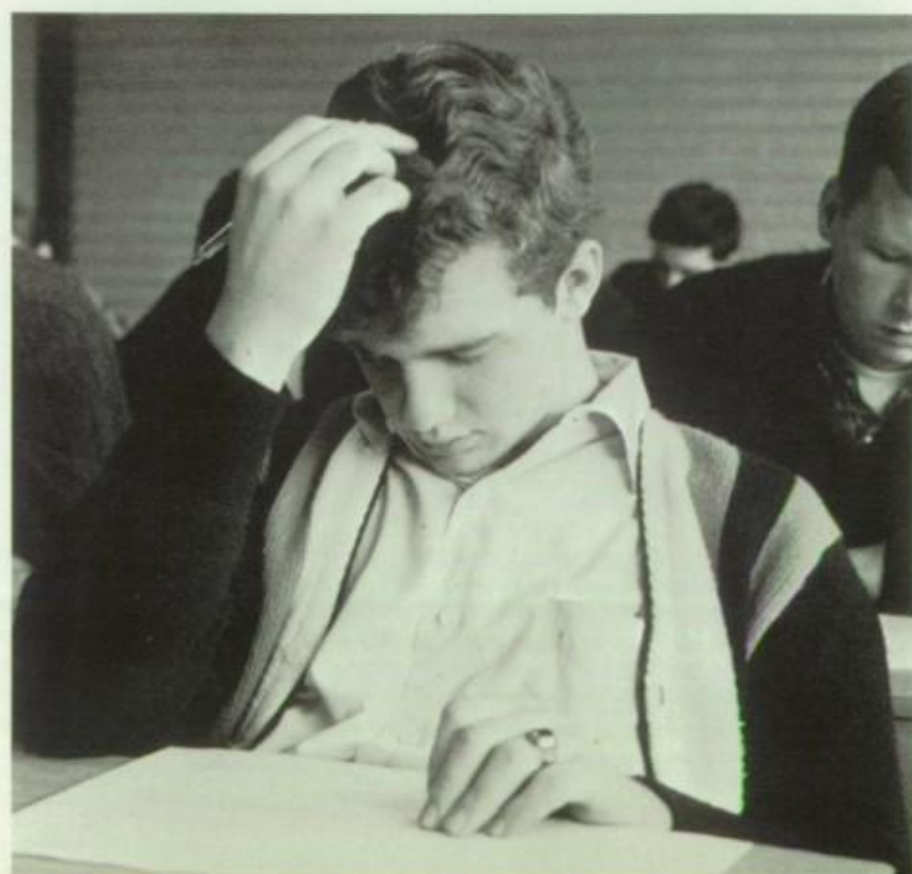

AND ATTITUDES . . .

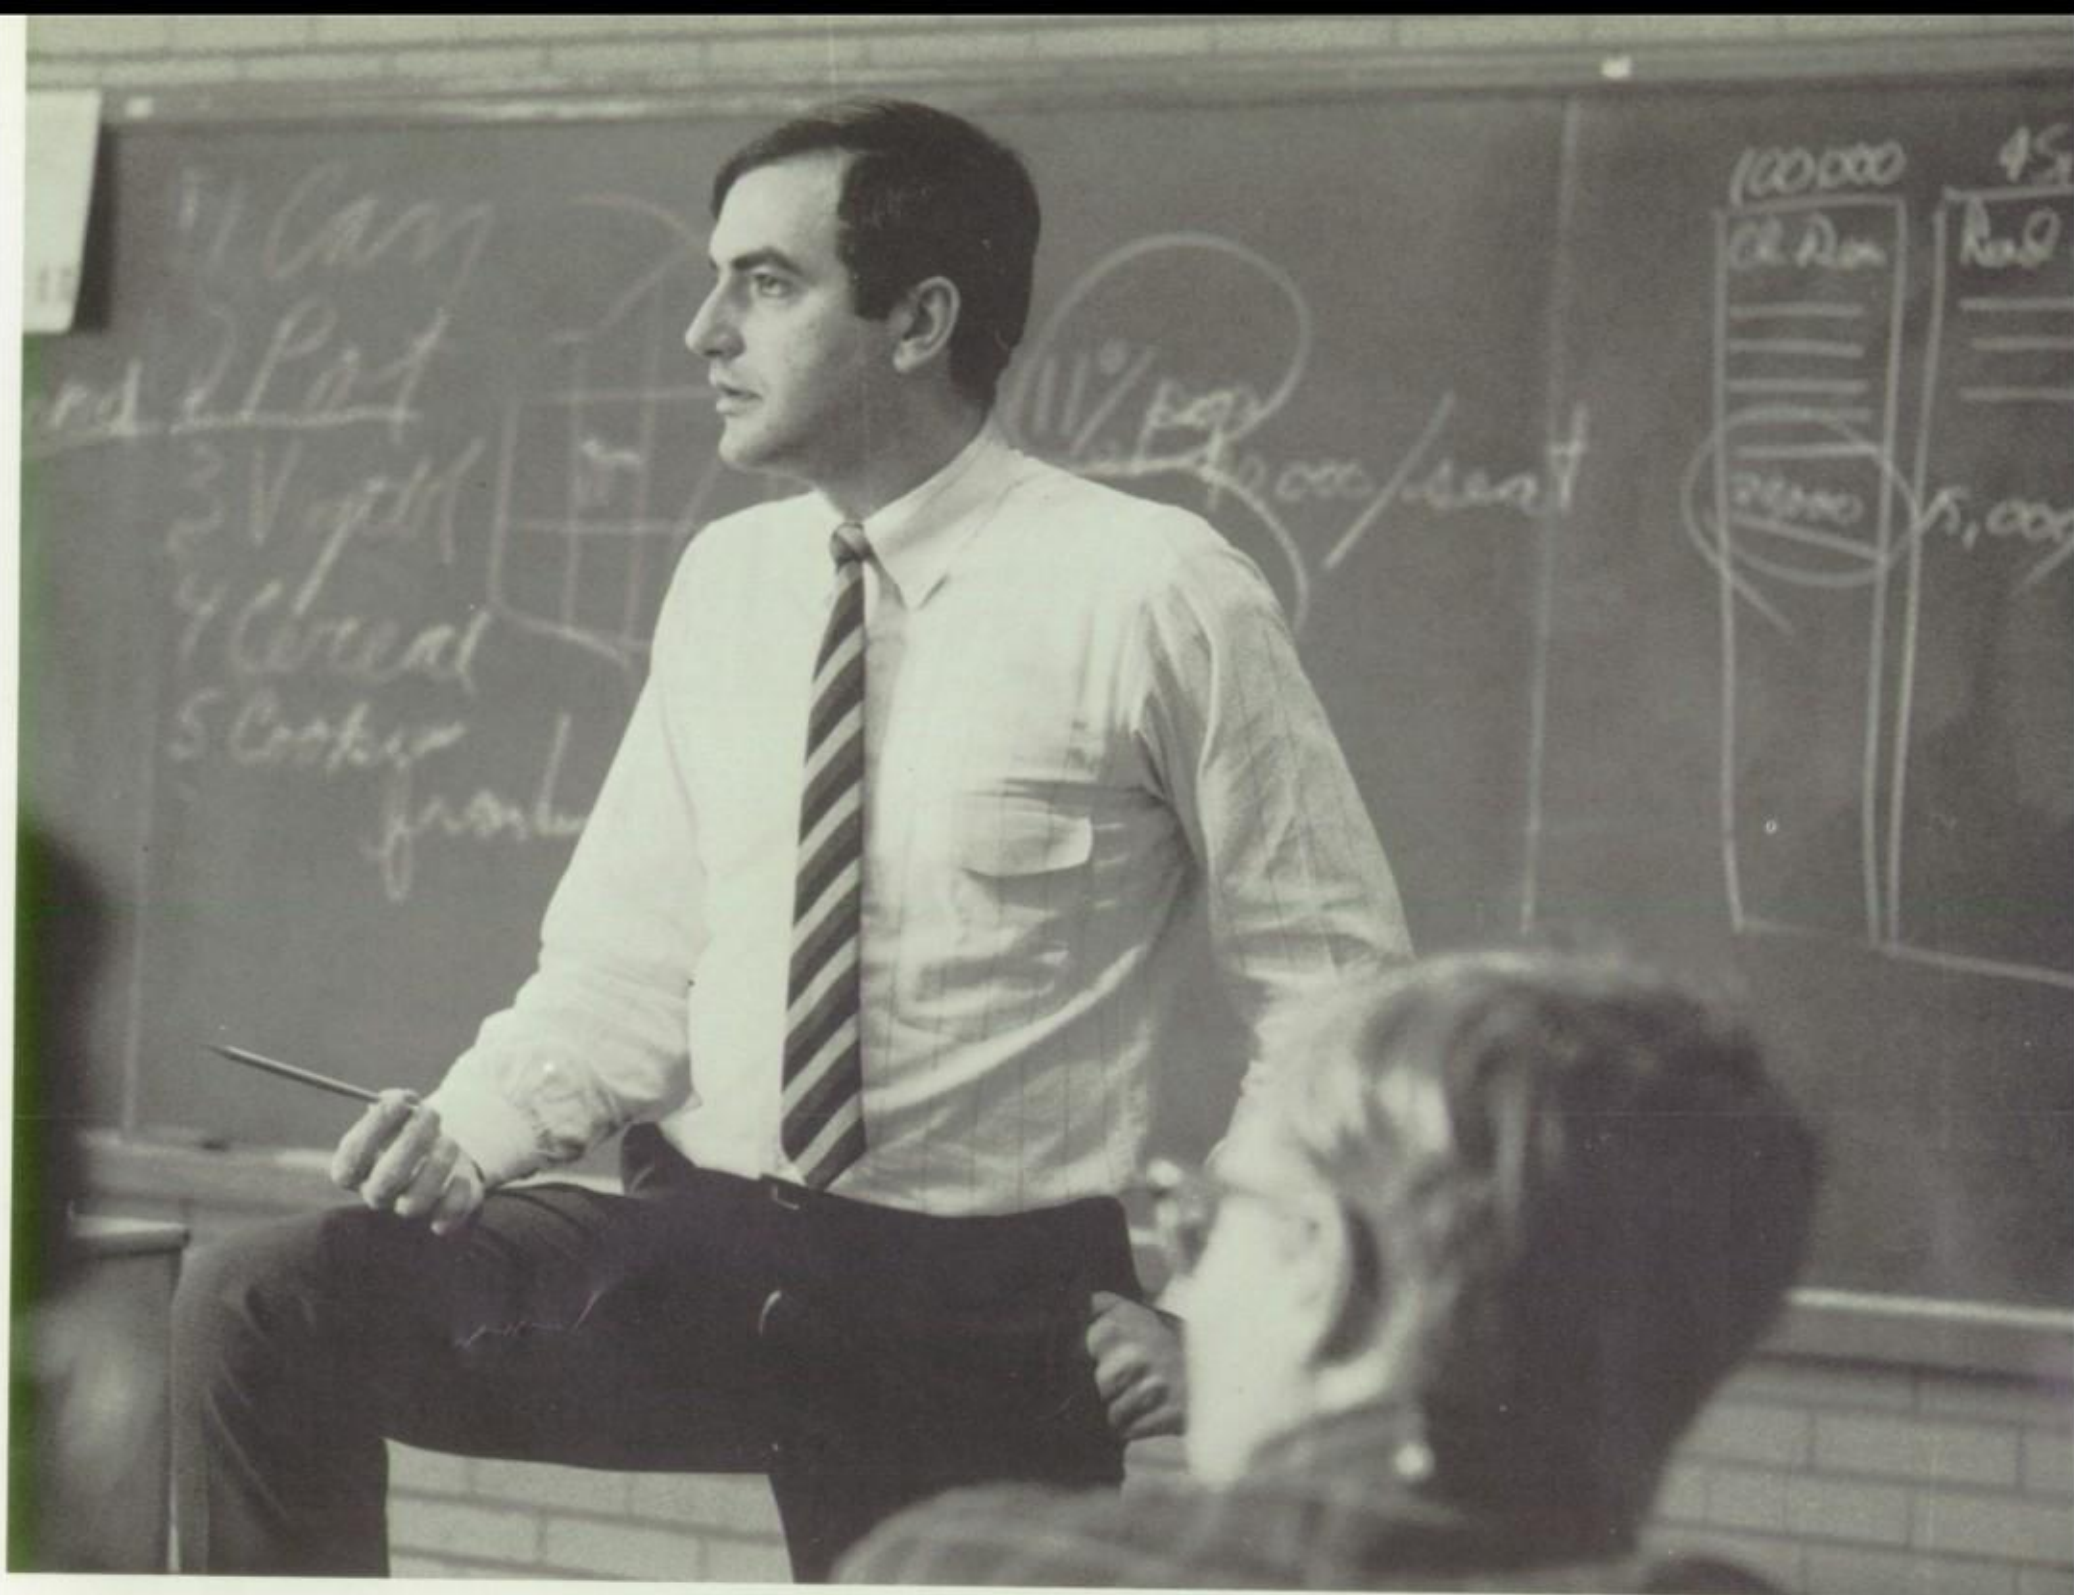

The spirit of a school is reflected in the faces of its students and teachers. Each day new experiences provide a background for the varied expressions of this composite personality.

PENSIVE

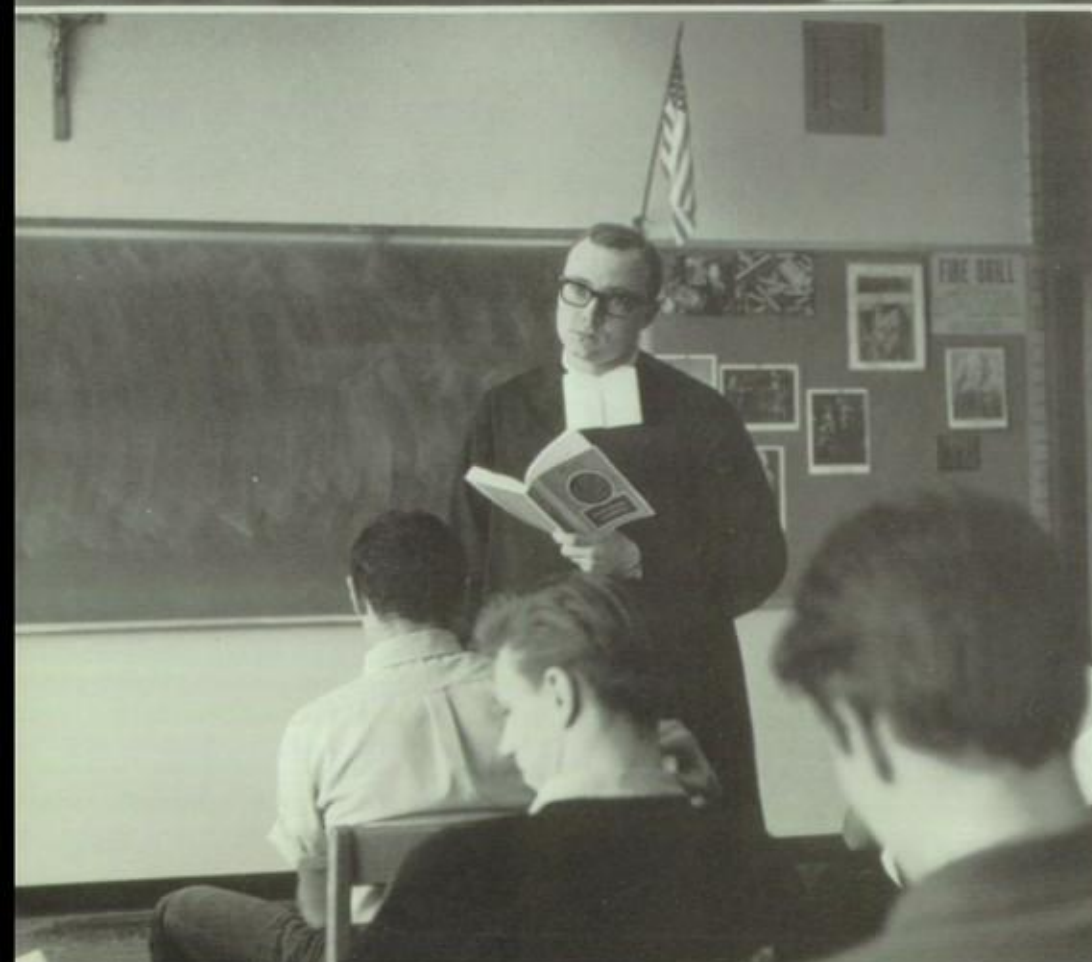

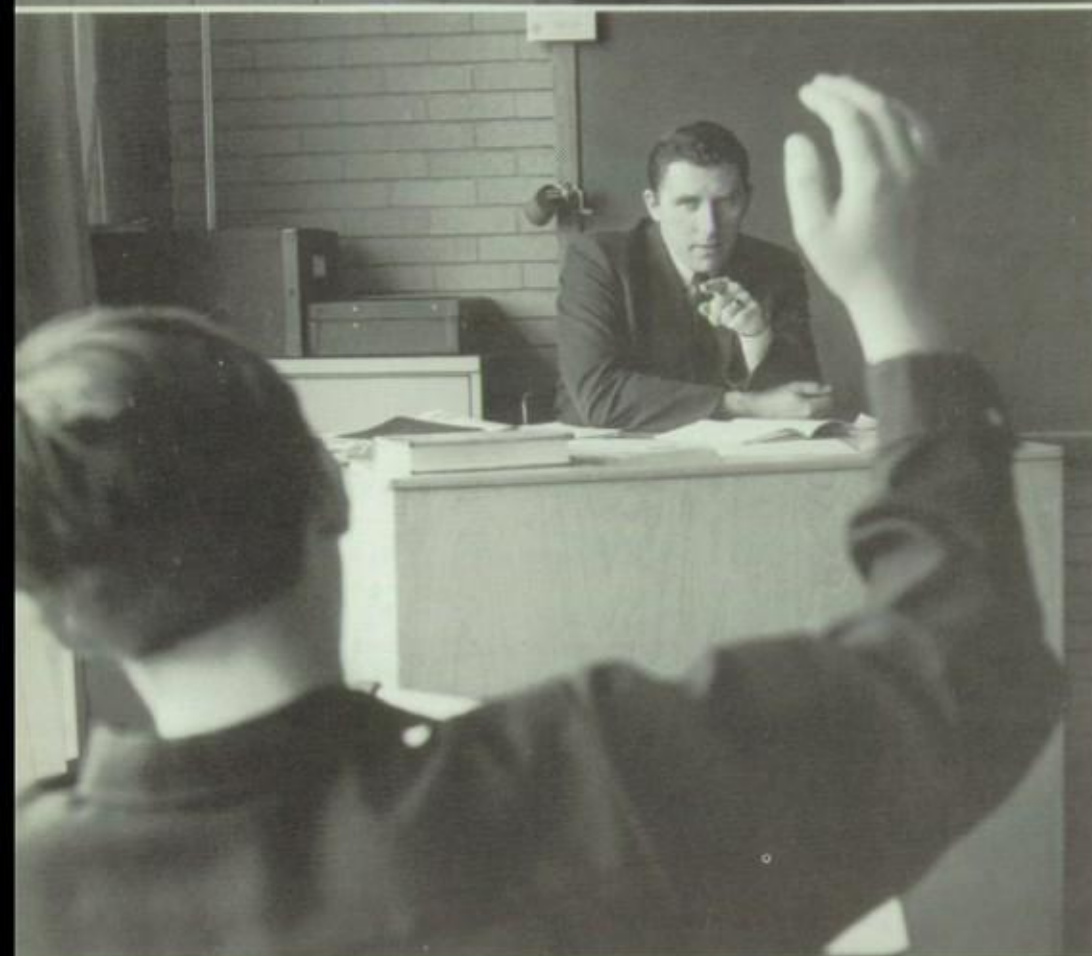

AND ENTHUSIASTIC

Brother Stephen and Mr. Goldrick feel that the best way to make a point is to do just that.

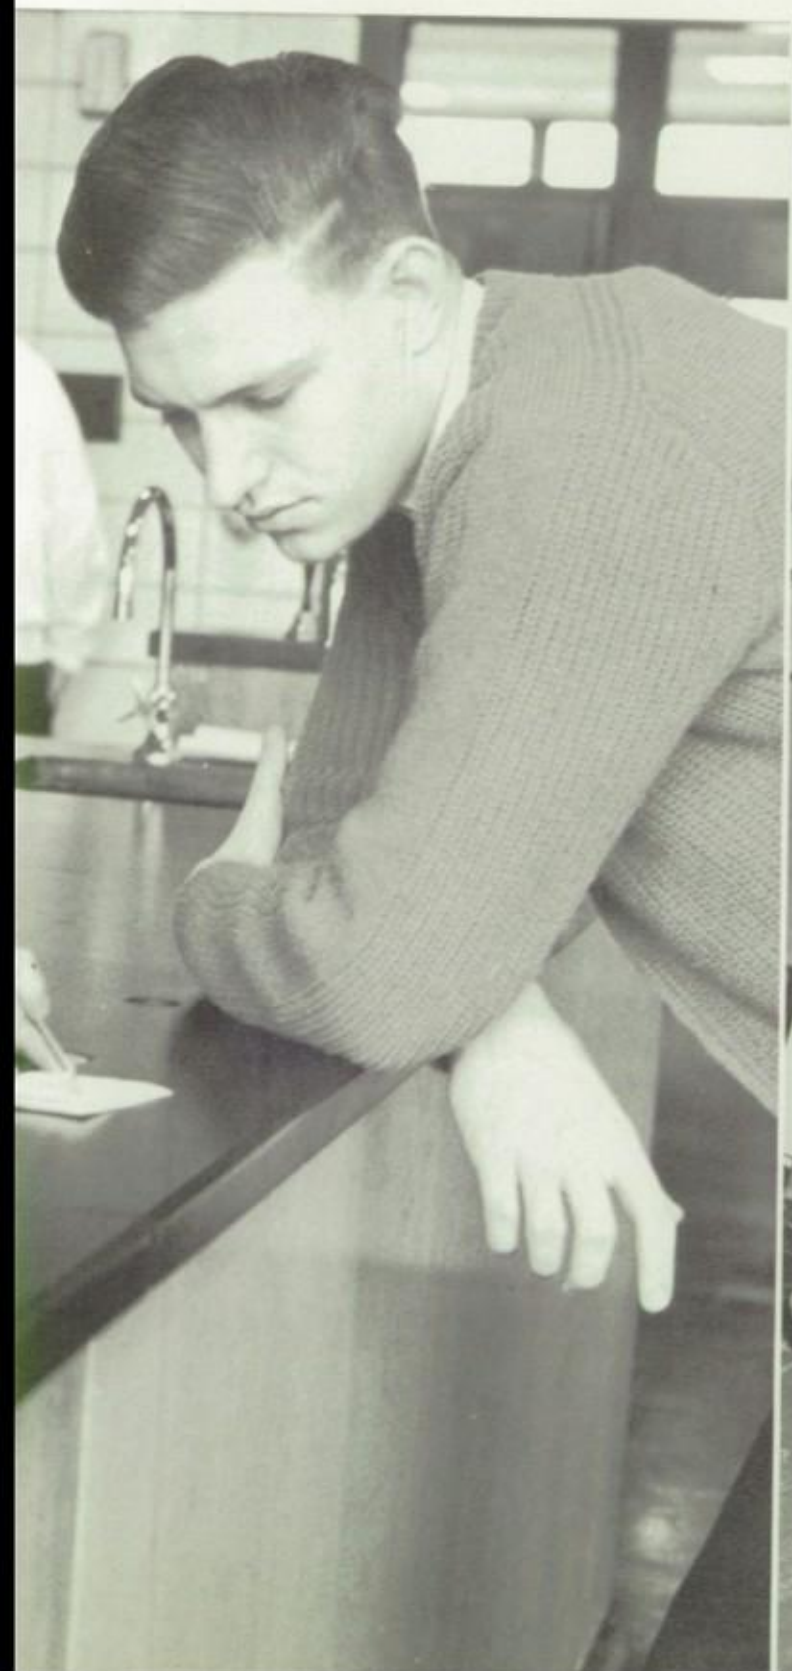

Brother Frank listens intently to a boy's response while other students attempt to formulate their own answers.

Mr. Willis doesn't always smile at a joke made in class, but this really must have been a good one.

Caught by surprise, Mr. Pastos seems to be saying to Mr. Hester, "Ask her if she's got a sister." Take it easy, coach, we know you're discussing the athletic department.

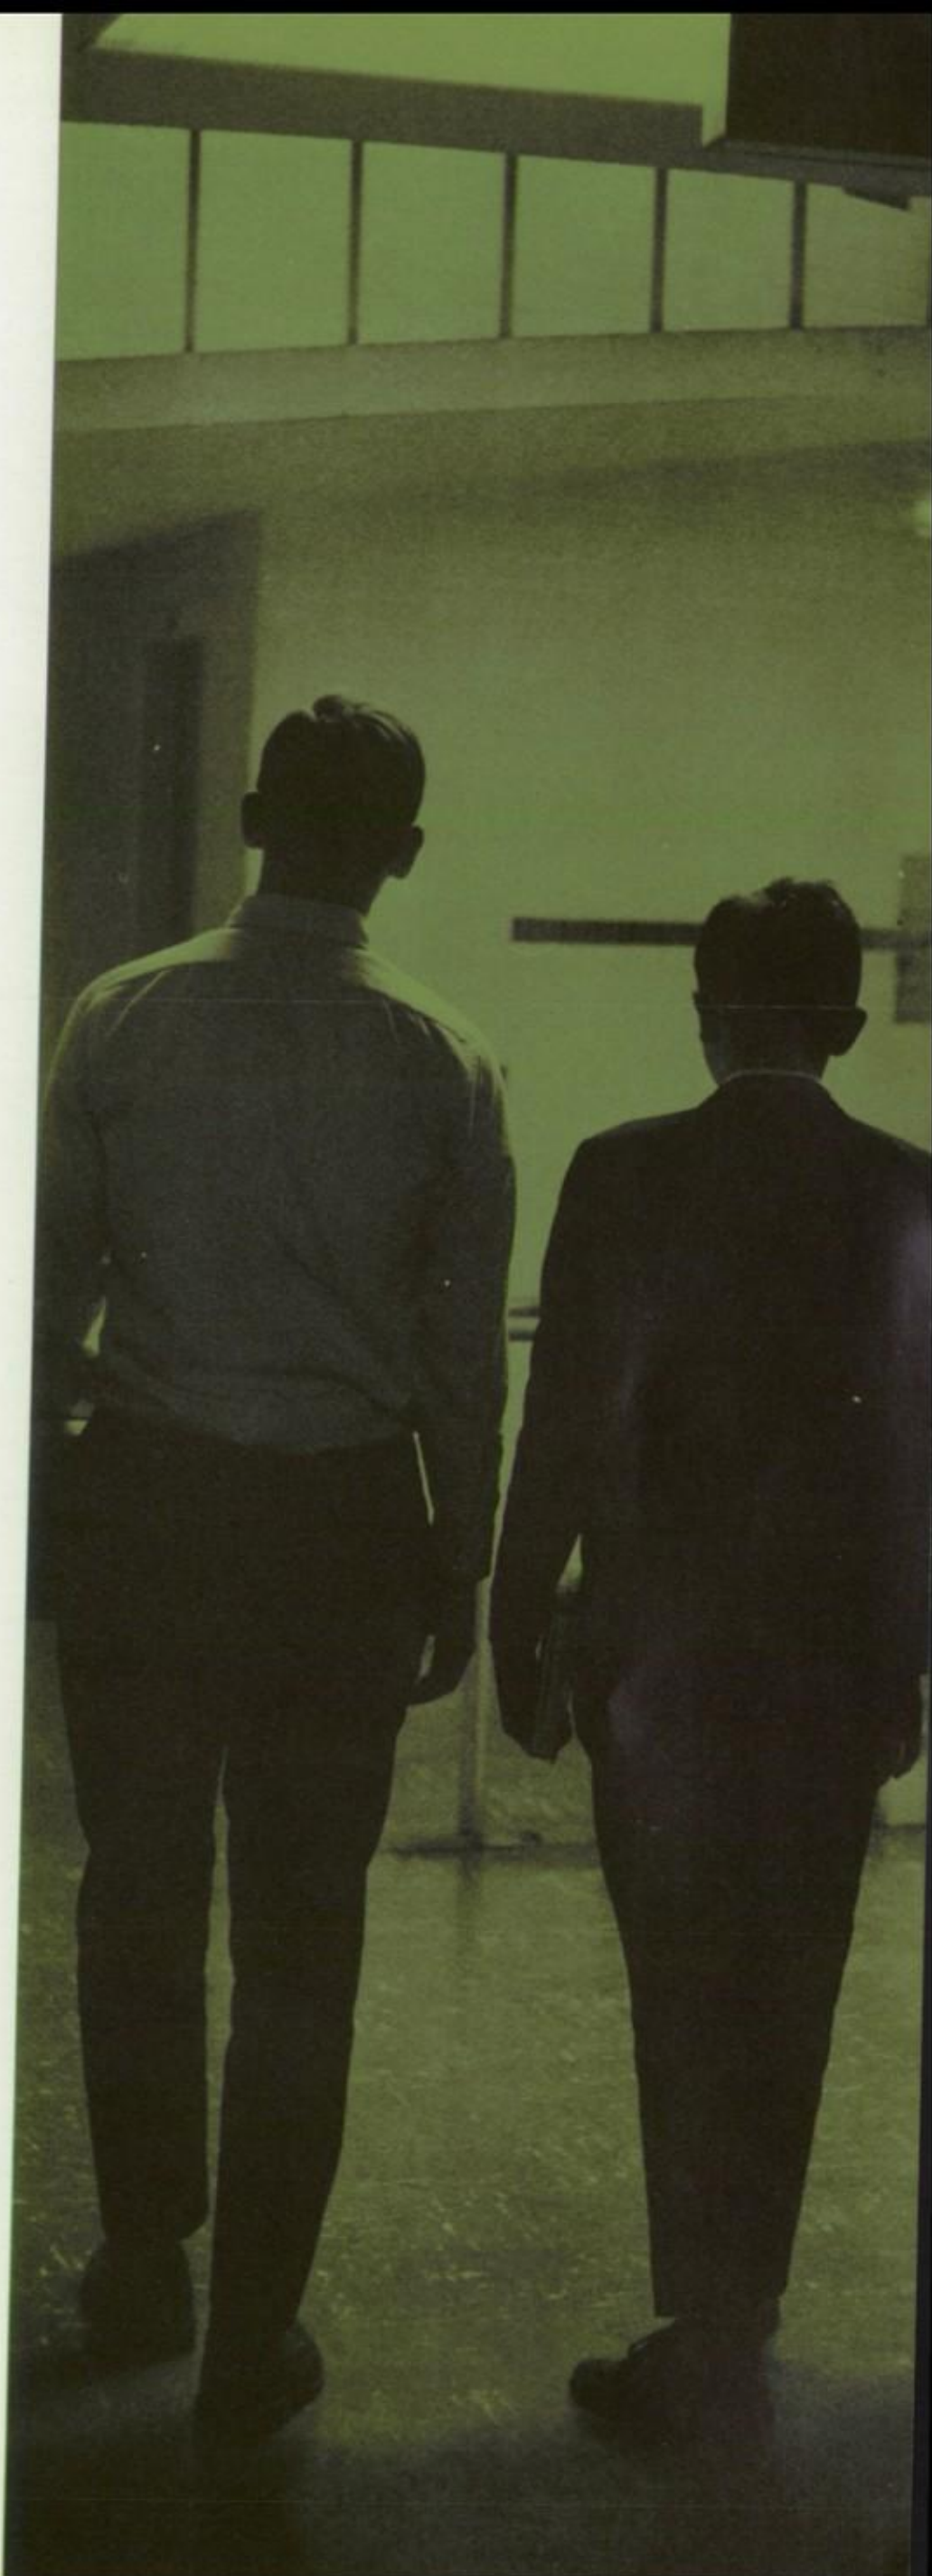

At bottom center, Mr. Goldberg explains a tricky physics problem while in the background, a forlorn culprit faces the wall.

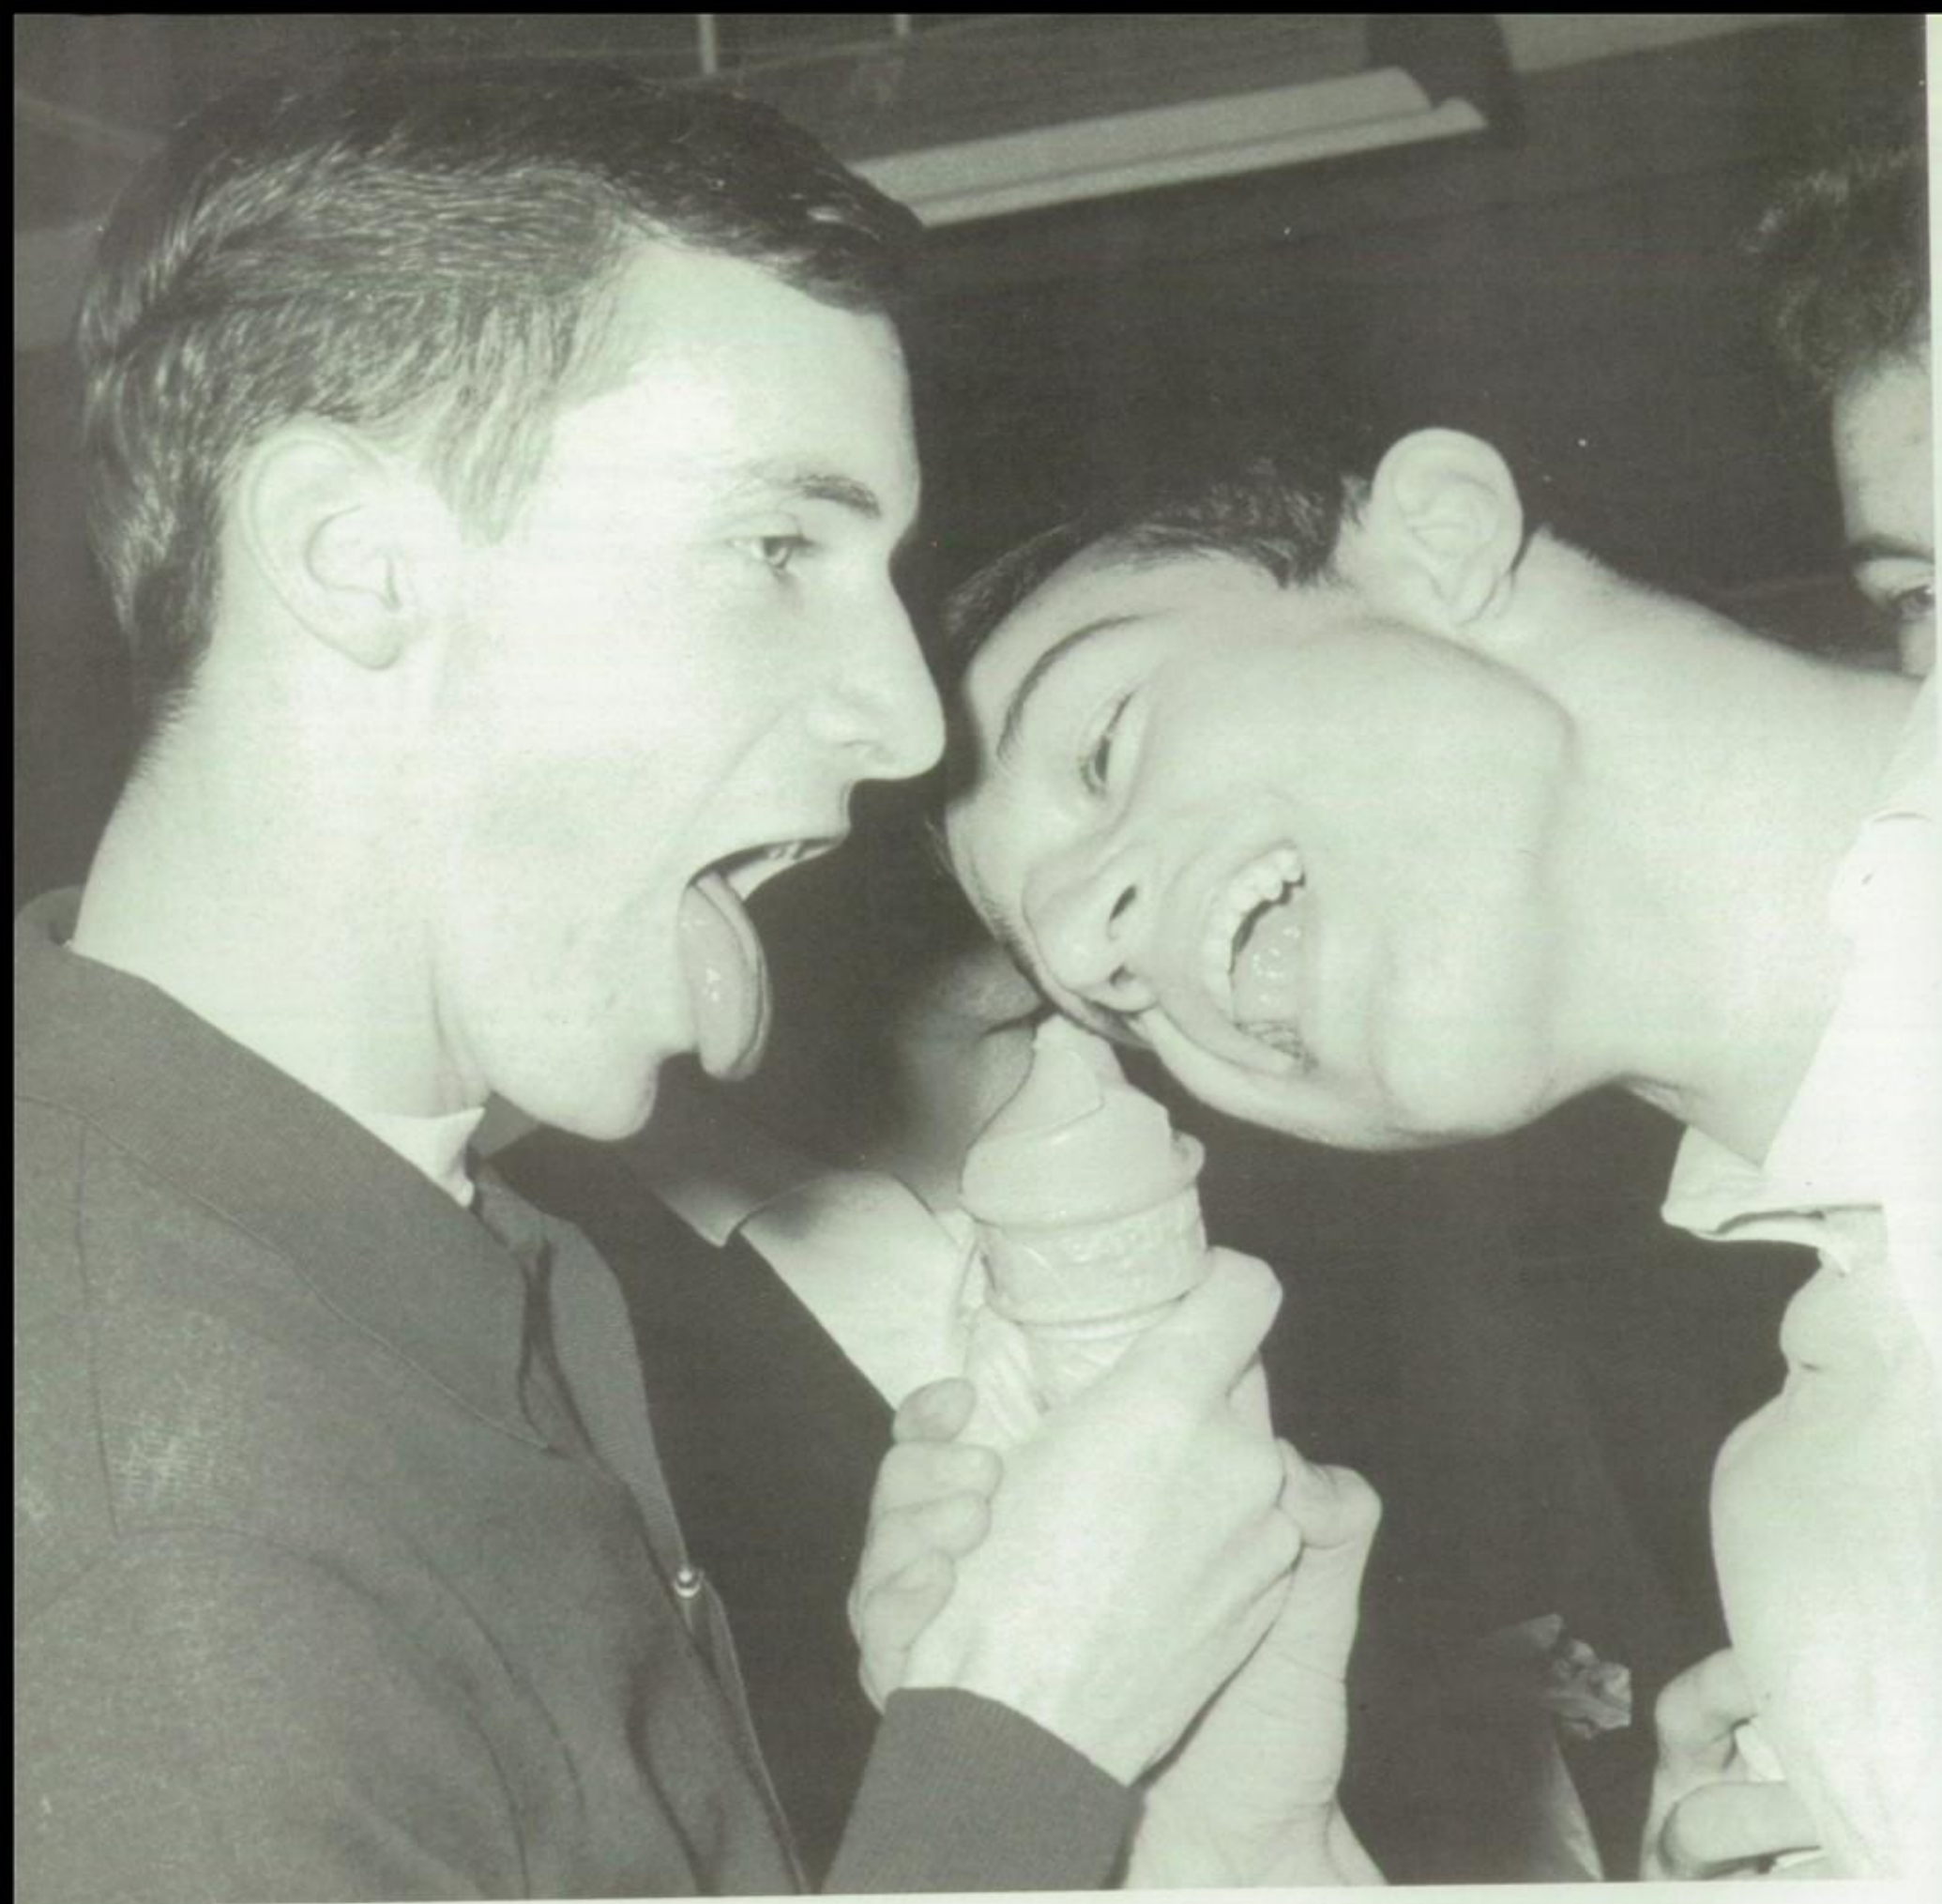

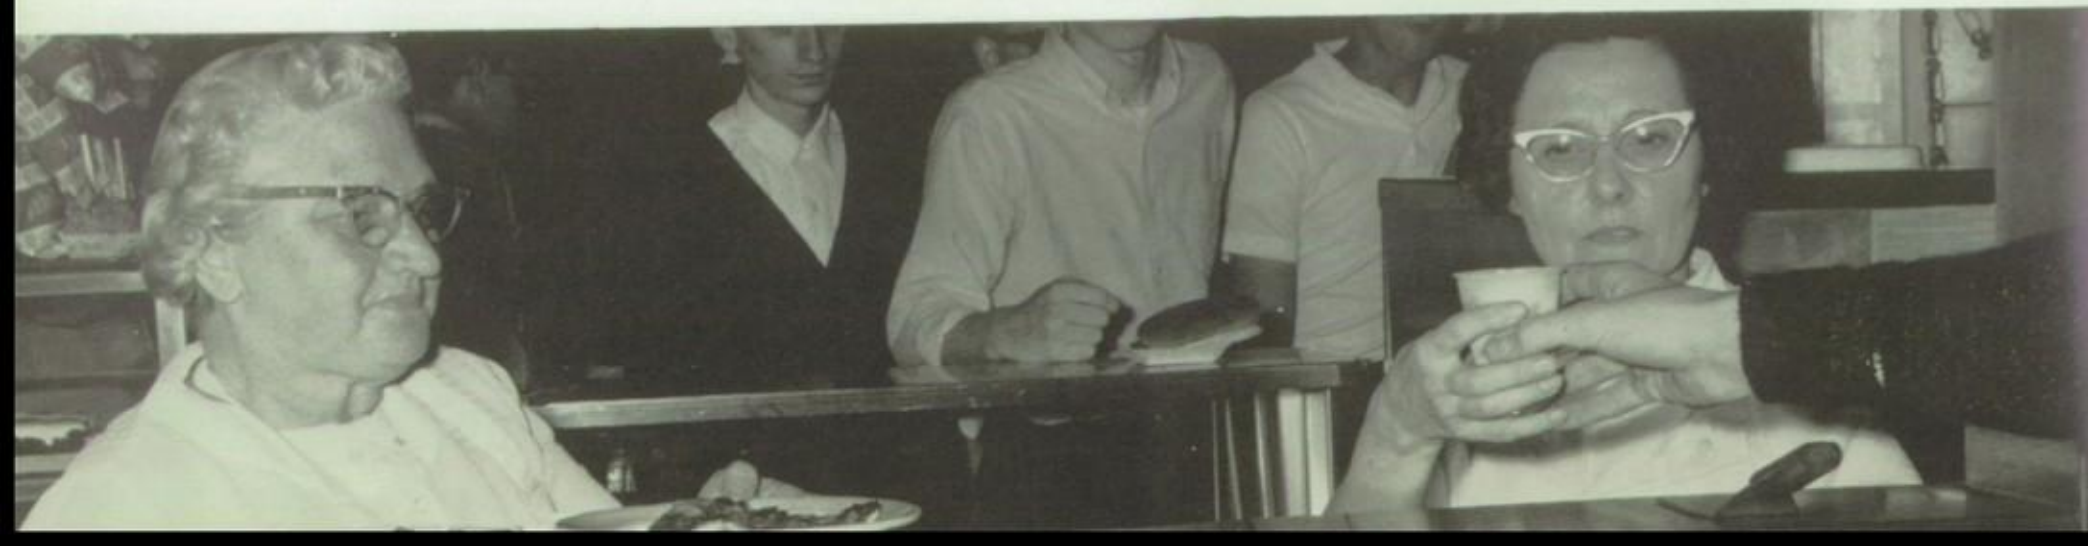

Mr. Welker directs distribution of toys collected during the annual drive, while Mr. Lazewski stands guard over the parking lot. Below, a lone freshman crams for his daily quiz.

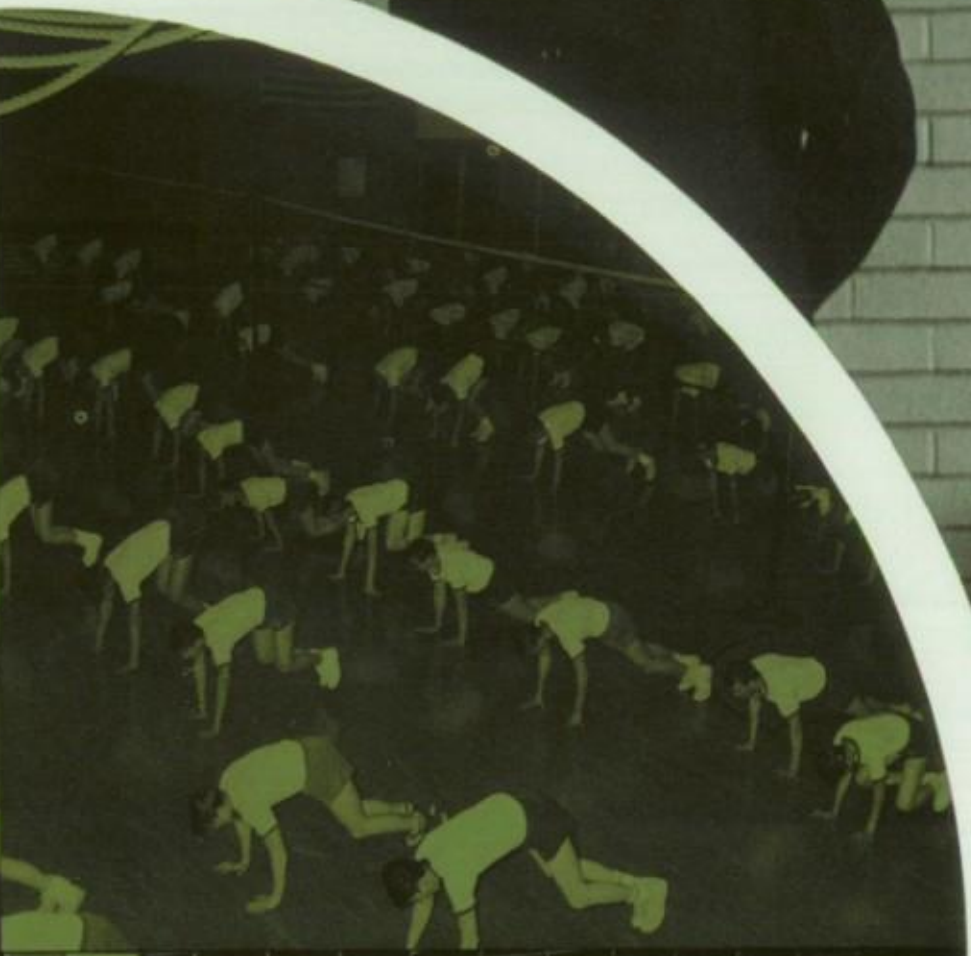

HAPPINESS IS . . .

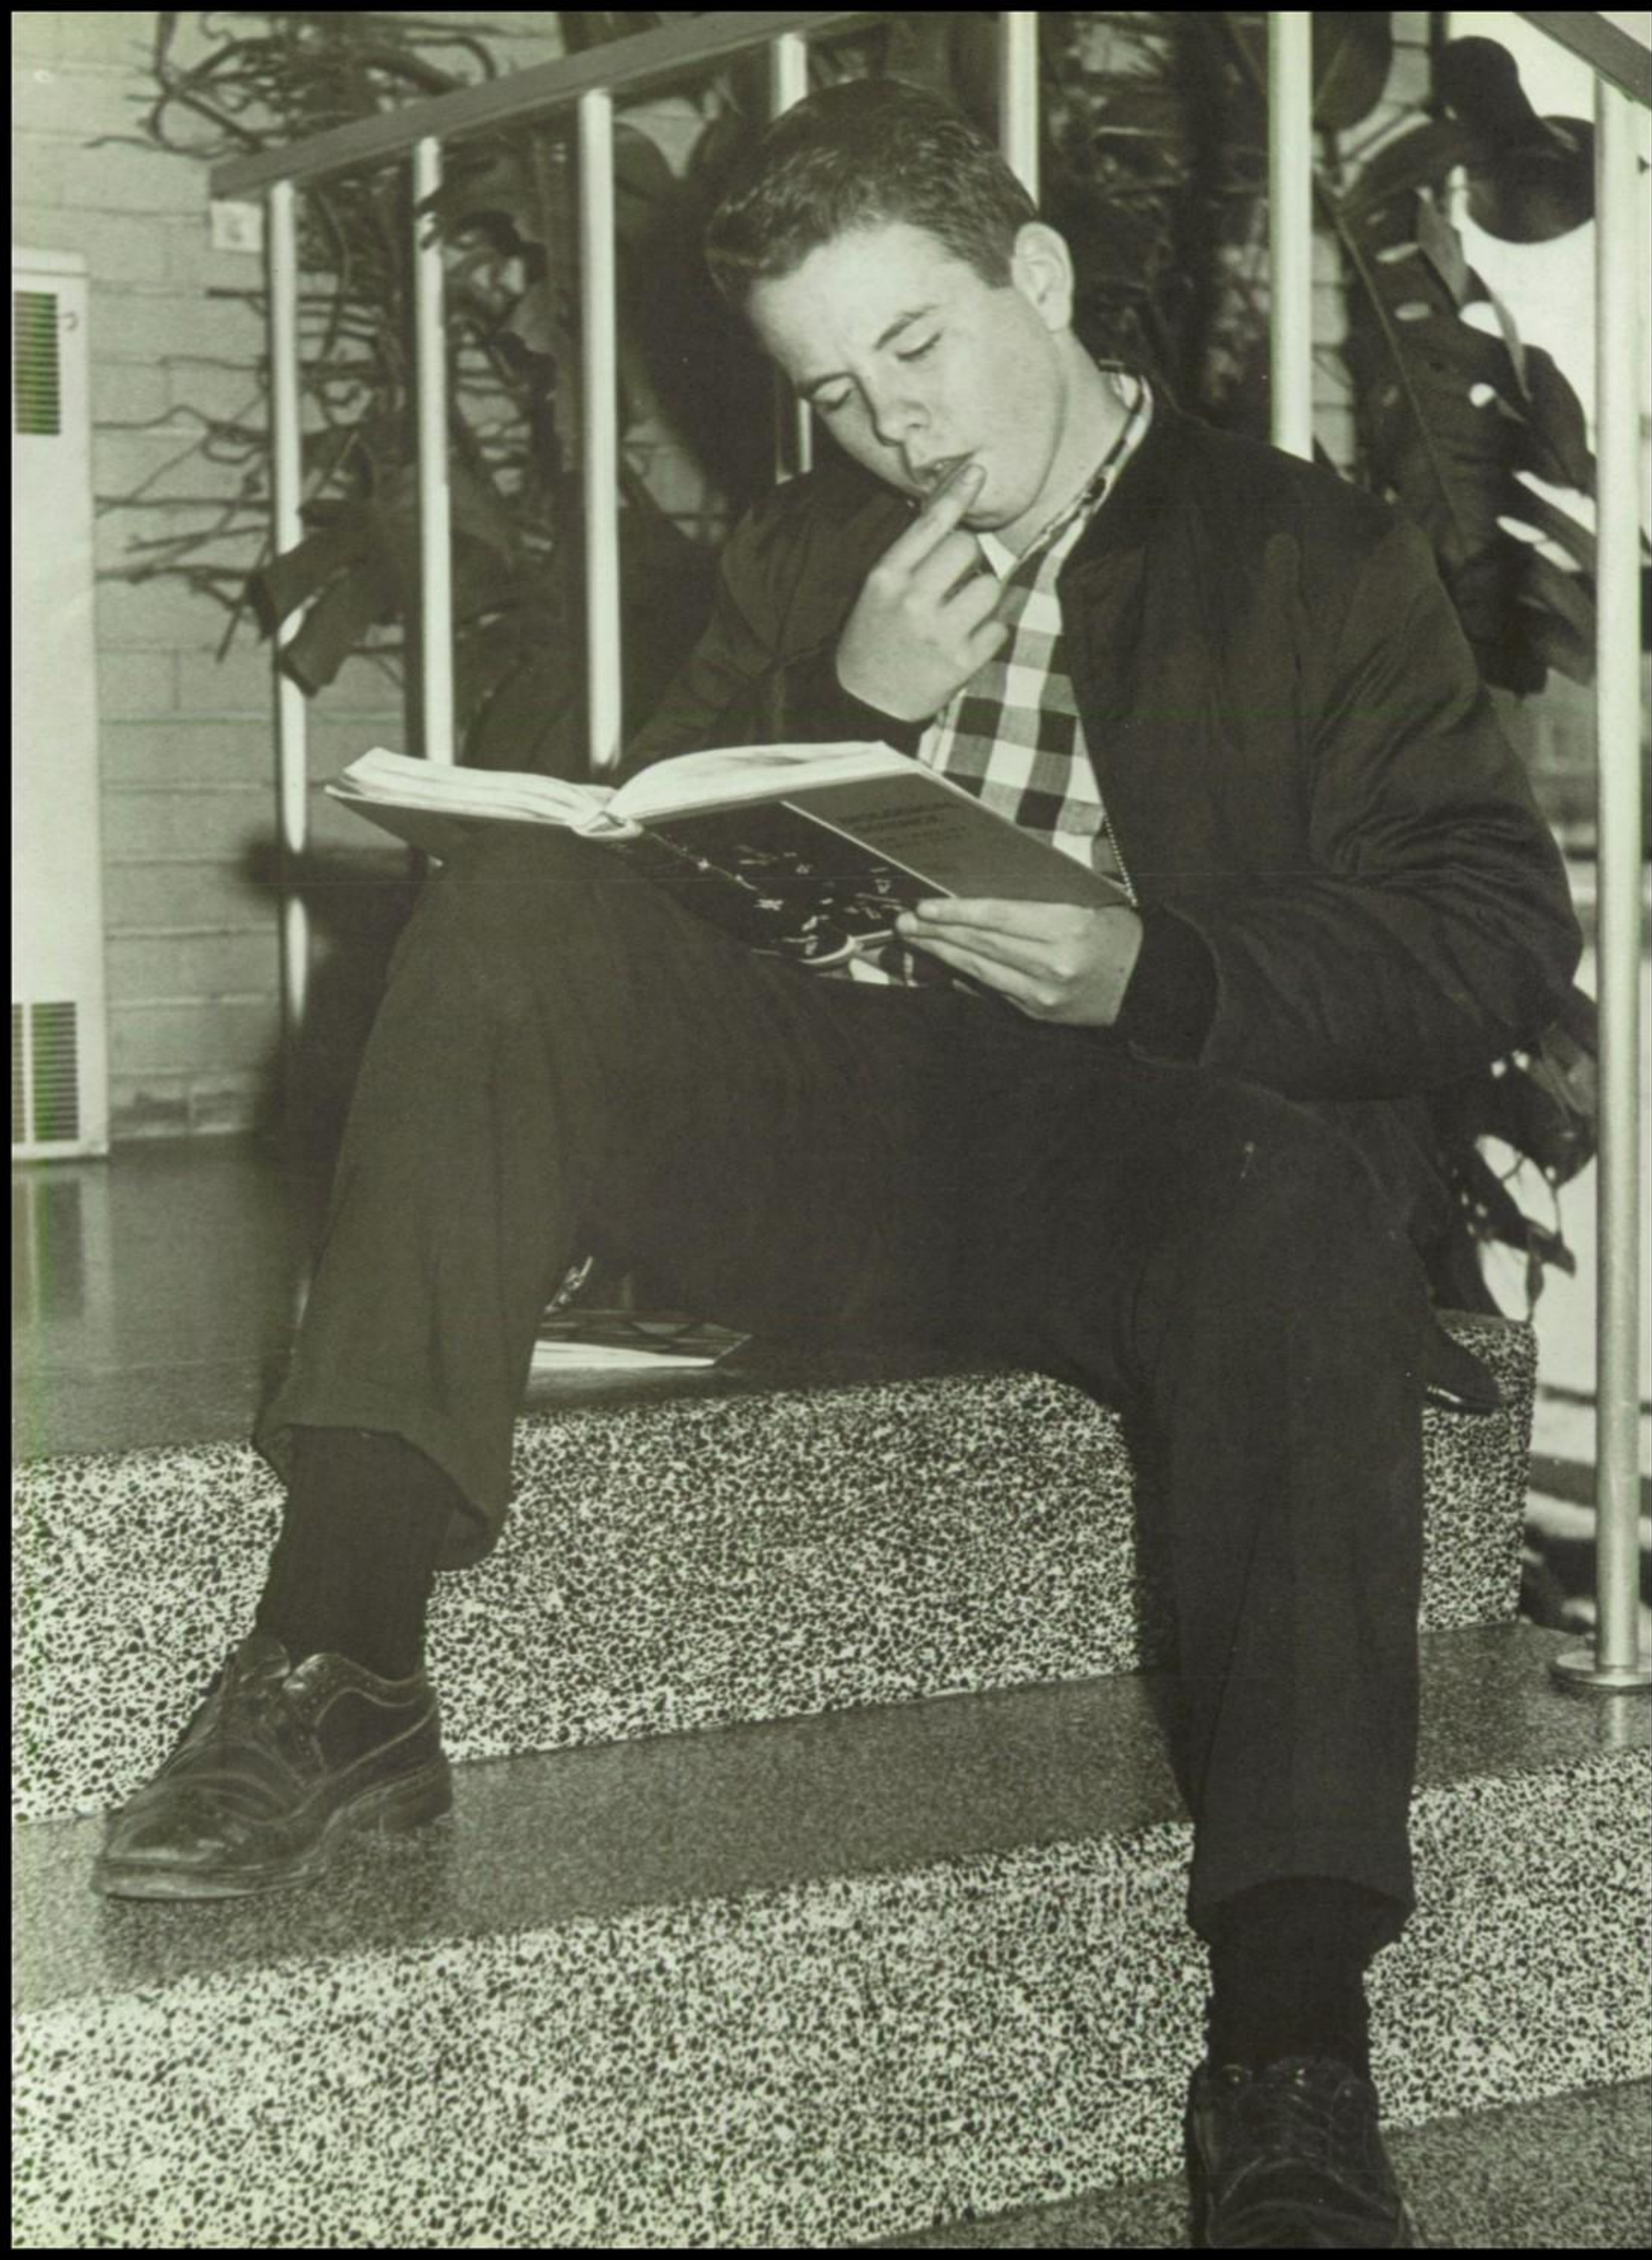

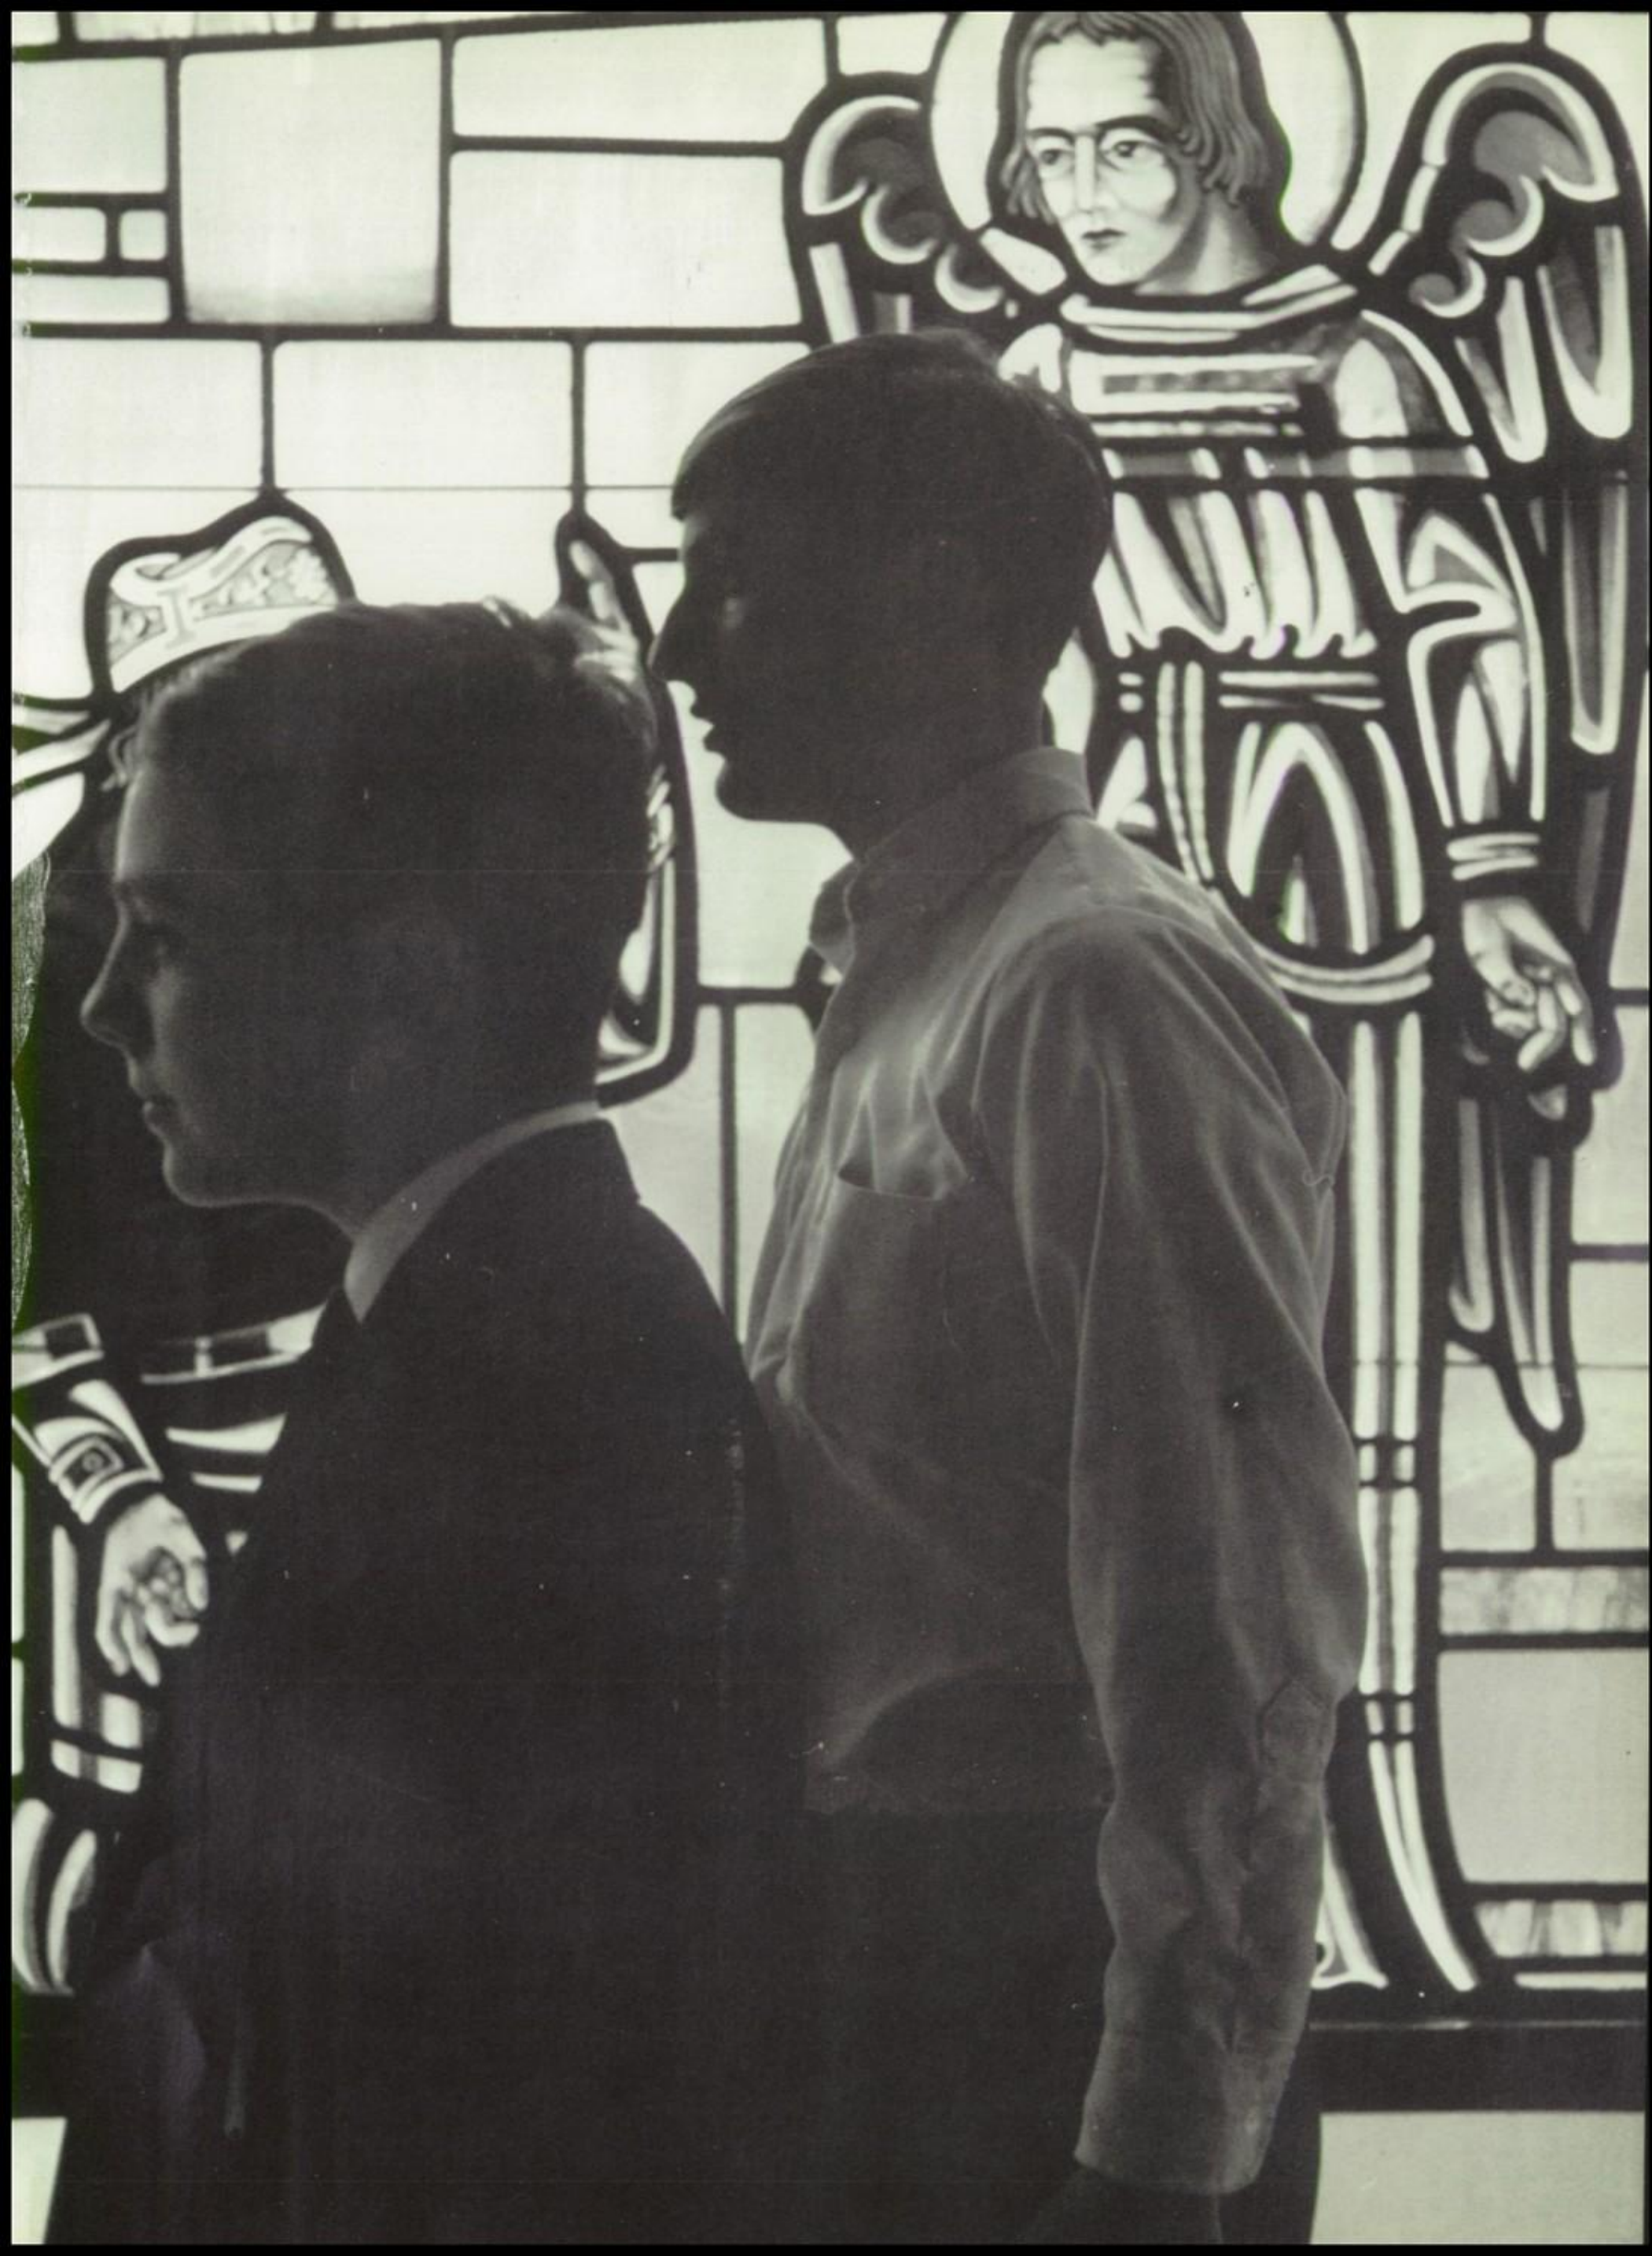

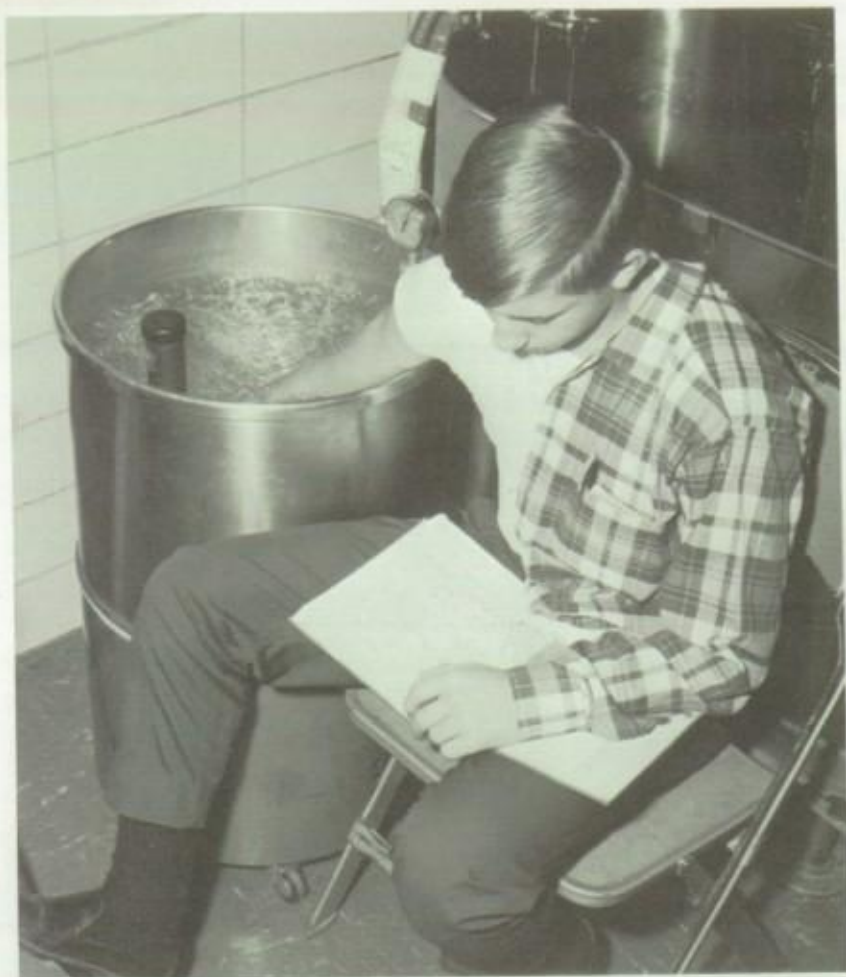

Once again it is proper that we extend our thanks and appreciation to the cafeteria staff for their efforts in providing us with the fine food which is enjoyed by both the faculty and the students.

A wide variety of services are offered to the students at St. Pat's. The nature of these services may be physical or educational and the students are encouraged to make full use of them whenever there is a need for help of this type. Whether it be a sprained wrist or a personal problem help is always within reach.

The Cast and Crew Under the Direction of Brother Louis and Mr. Kondratowicz Worked Long Hours To Perfect and Proudly Present This Year's Musical Production . . .

fiorcello!

Marie (Jeannie Grimes) listens carefully as Dora (Cathy Francia) tells her the shocking news that Thea has been arrested.

In his Greenwich Village law office, Fiorello (Frank Rotella) goes over the case with Marie.

Ben Marino (Frank Ingo) watches one of Fiorello's street corner campaigns with a wary eye.

Thea (Barbara Erhardt) takes an active interest in the campaign after Mr. LaGuardia comes to the aid of the Nifty Shirt Waist strikers.

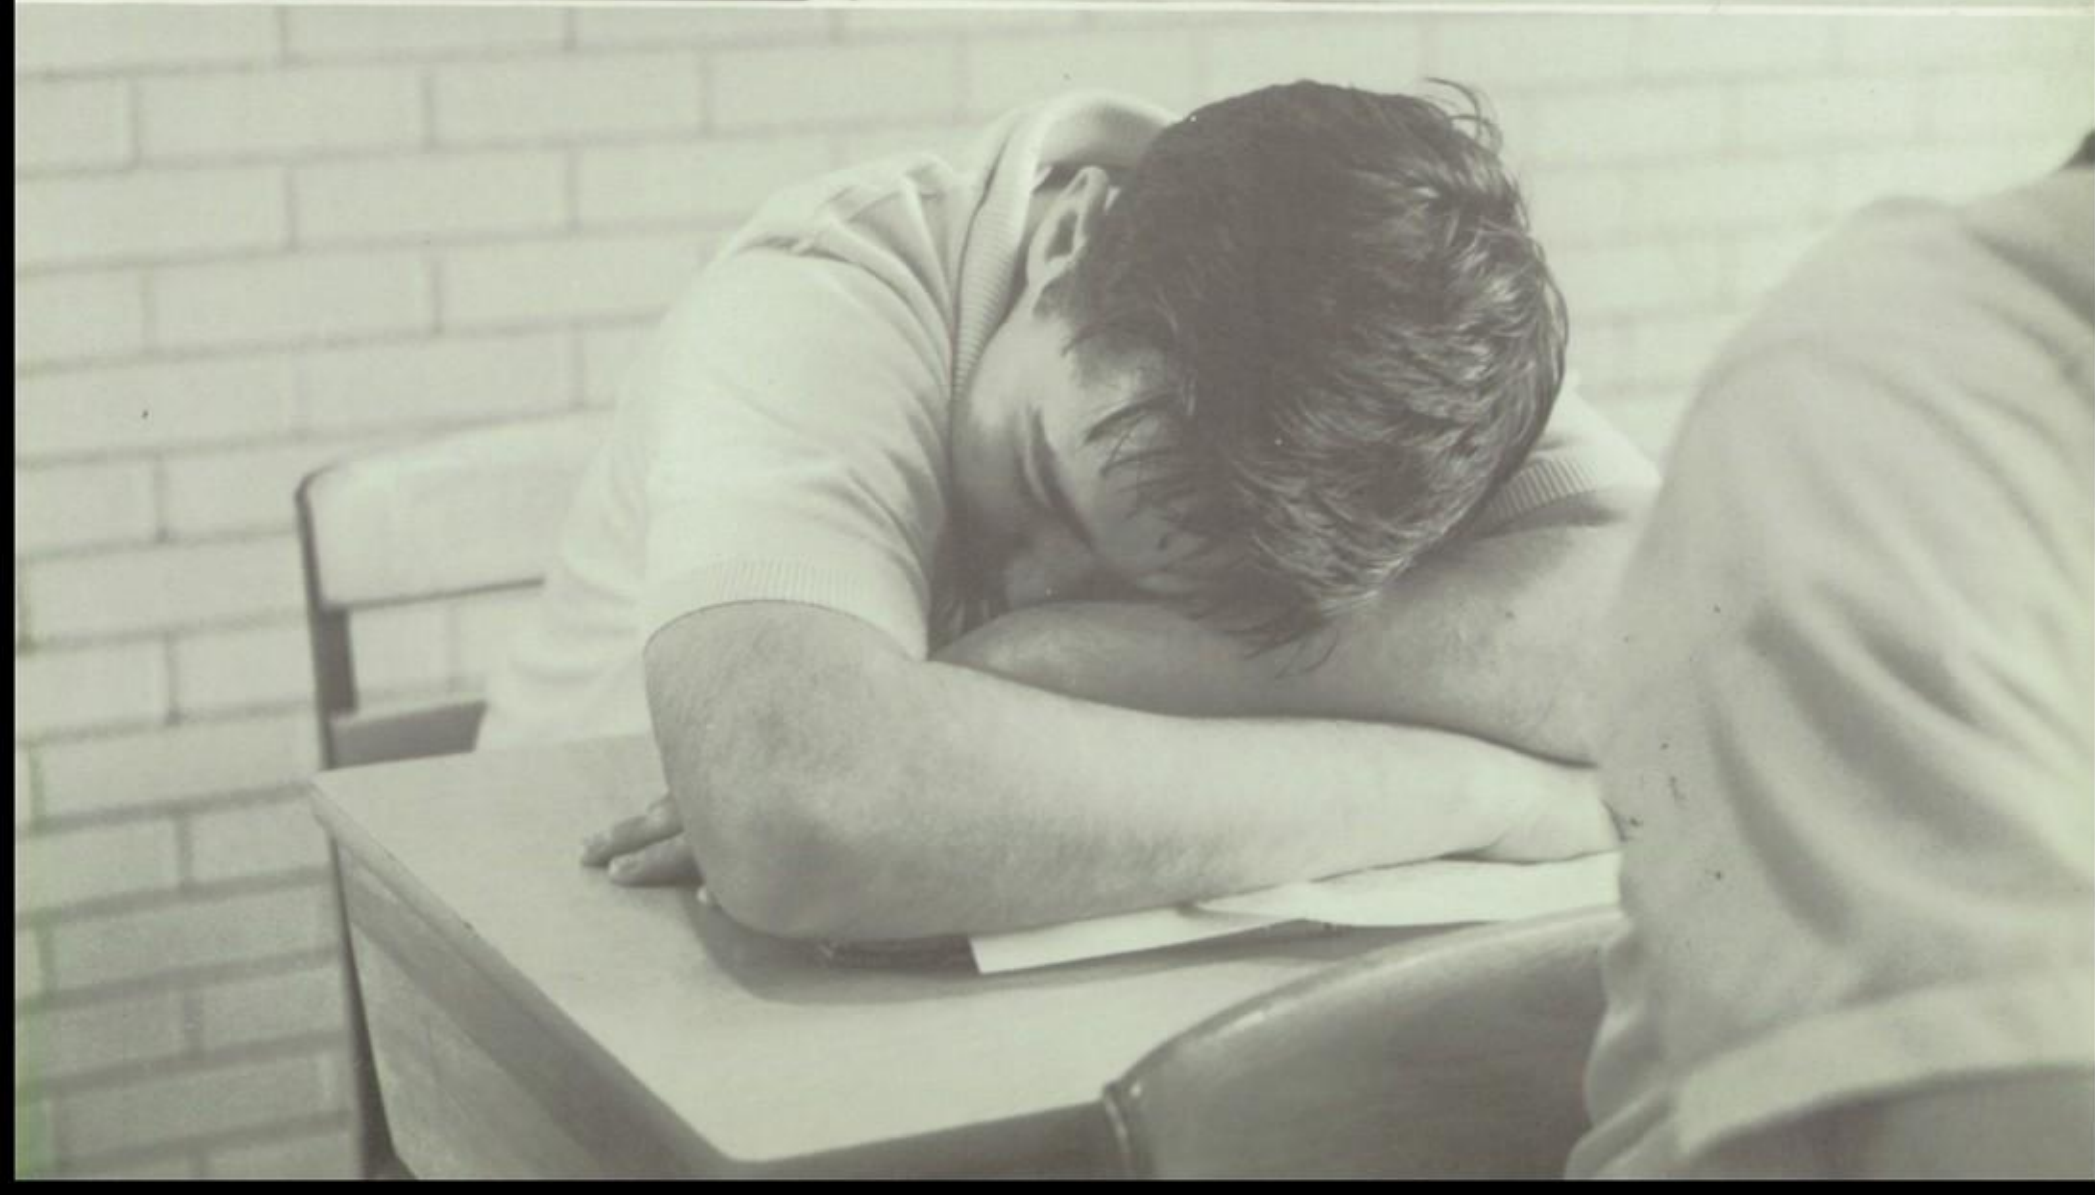

Fiorello's office becomes a scene of confusion as more people arrive with new problems.

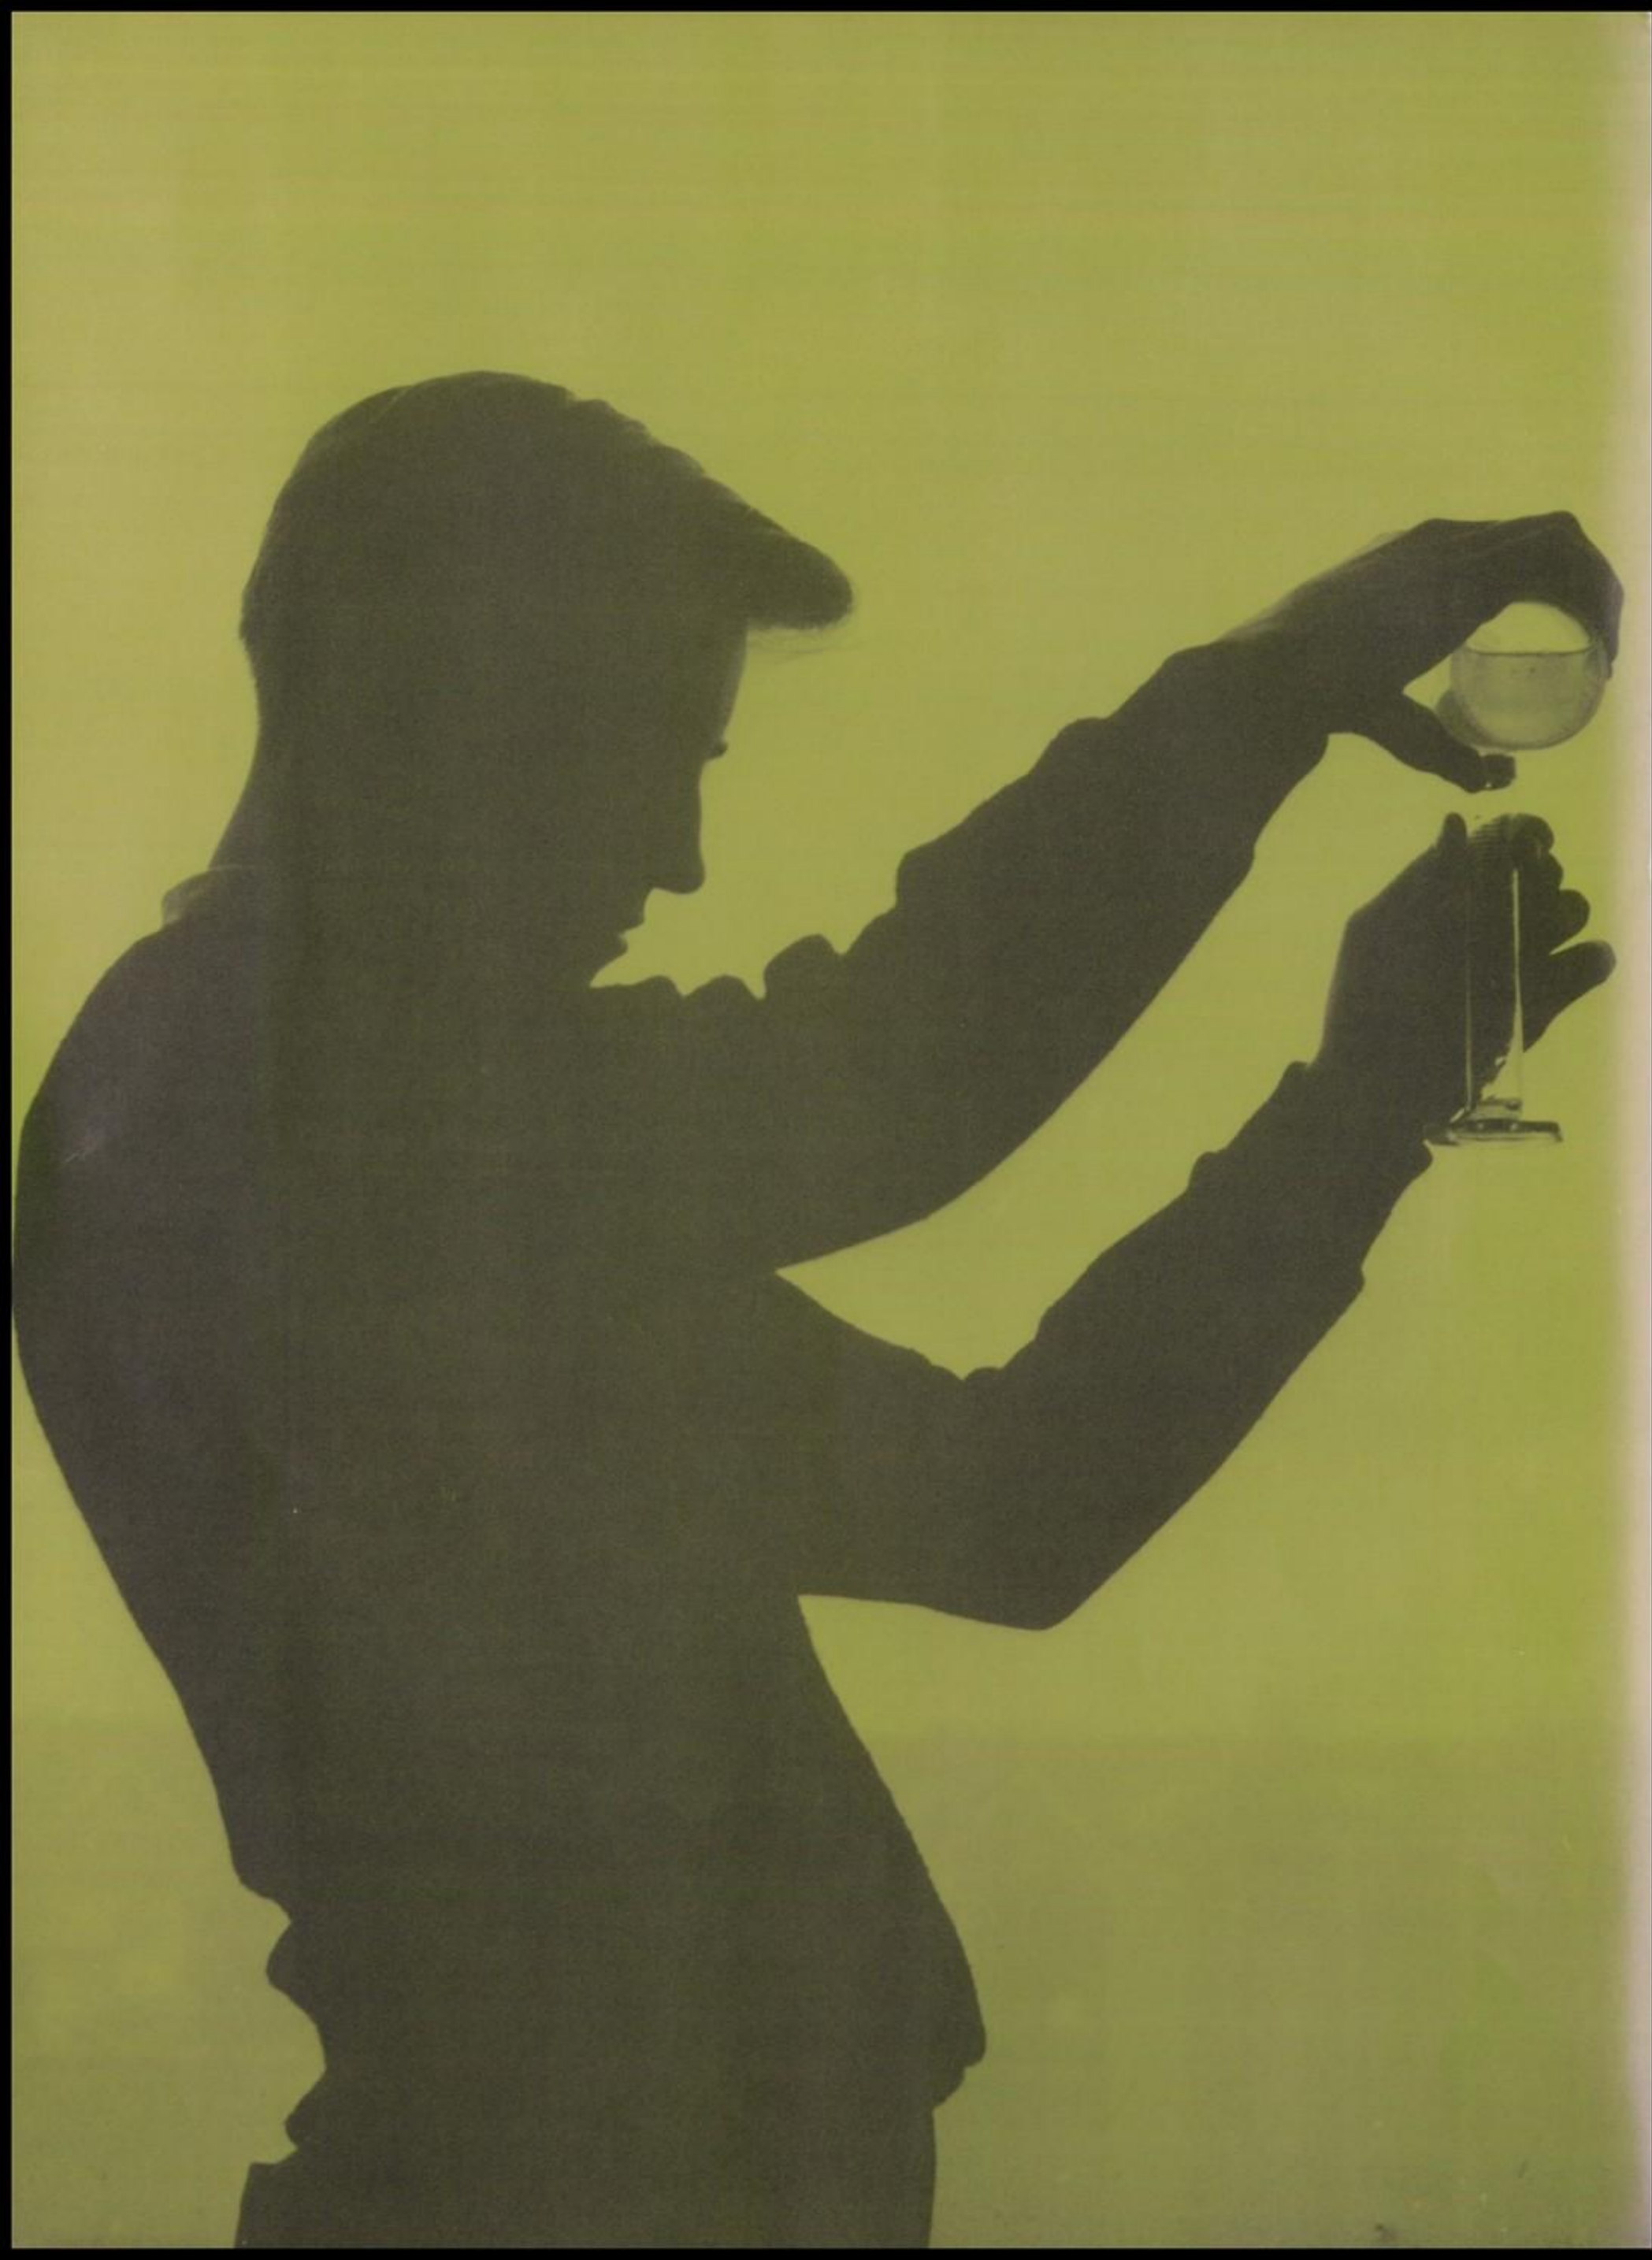

Morris (Dean Showalter) makes a valiant attempt to record the wistful feelings expressed by Marie as she sings "Marie's Law."

THE GREAT SNOW OF '67

Homecoming Soc-Hop

—October 15, 1966—

Over 2,500 people hopped to the swingin' beat of the "Tiki's" and the "Peppermints."

STRANGER IN PARADISE

Held at Ravinia Green Country Club on May 5, the 1967 Senior Prom was a dream come true. Music was provided by Ben Arden and his Orchestra as radiant couples danced through a night of enchantment. Soft lights, sparkling eyes, and swirling gowns characterized that never-to-be-forgotten evening. All too quickly the music faded and memories became sweet but misty.

First Annual

CHRISTMAS DANCE

—December 22, 1967

A first for St. Patrick, the Christmas Dance, was held on Wednesday, December 22 from 8:30 to 11:30 p.m. The switch from our traditional Thanksgiving Dance was necessitated by the fact that the Chicagoland Prep League basketball tournament had been moved to the Thanksgiving Holidays.

A welcome pre-semester break for sophomores, juniors, and seniors came as our semi-formal Christmas Dance. The gymnasium was festooned with seasonal decorations and colorful Italian lights, guaranteed to "put you in the holiday mood." Entertainment for the nearly 600 in attendance was furnished by the "Dischords" who provided the "ultimate in pop music." Tickets for the trip to our private "Winter Wonderland" were set at \$3.00 per couple.

SKATING PARTY

If the success of an event is to be measured by the number of persons present, then this year's Roller Skating Party can be designated as one of the biggest successes in the history of the School. The fall occasion was held at the Hub Roller Rink on October 30, 1966. Many Patsmen attended with their dates as well as individual members from others schools—GIRLS. All in all, it was an evening to be remembered by many.

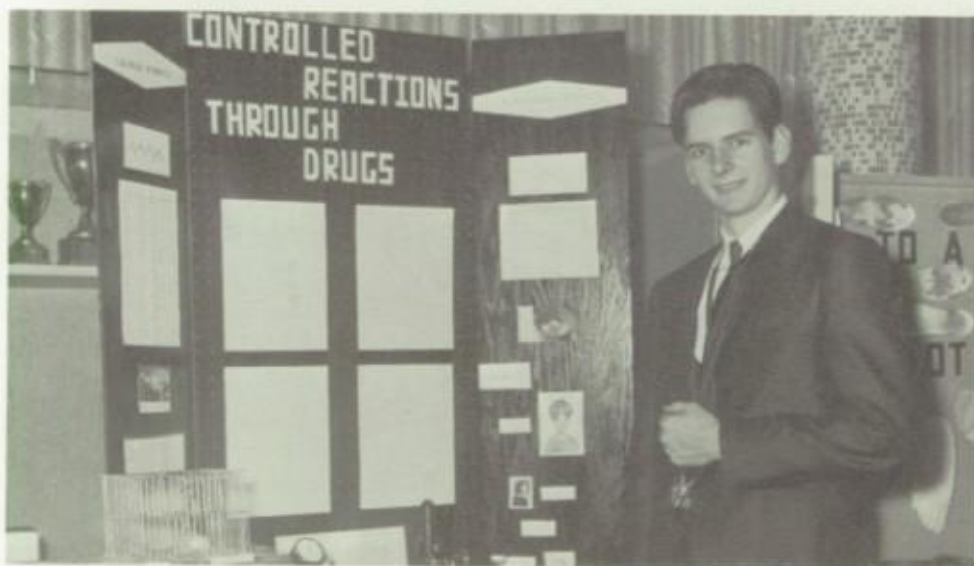

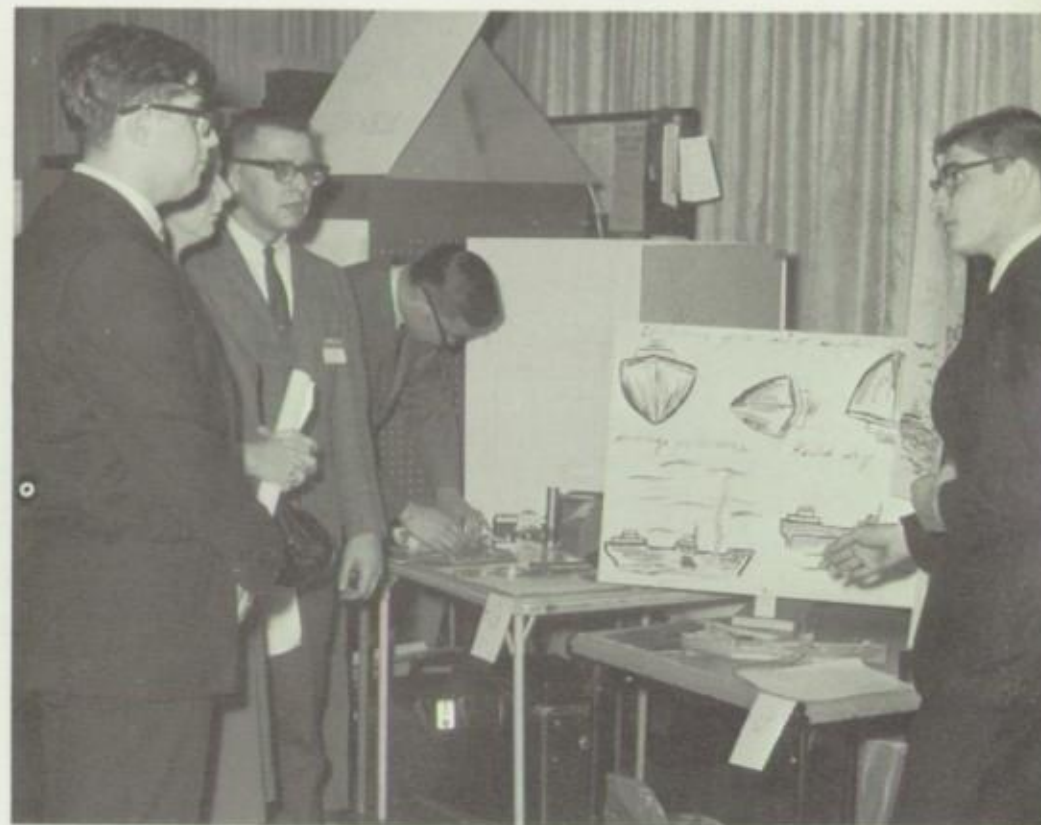

Joseph Eburno, a senior in the Geology Division, demonstrates his mineral synthesis display which was judged as the outstanding project in this year's competition.

SCIENCE FAIR

The annual St. Patrick High School Science Fair is the first of three participated in by our students. This year approximately one hundred boys exhibited projects, thirty-six of which advanced to the Chicago Catholic District Science Fair held at the Amphitheatre. Outstanding projects in the district fair advance to the State Exposition held at the Champaign campus of the University of Illinois. Much interest has been stimulated in the science project area by Mr. Welker and his faculty committee.

An award winning zoology project is explained by George Juraszek, a junior.

Mr. Welker and judges learn how ships are raised from Ken Pinischi.

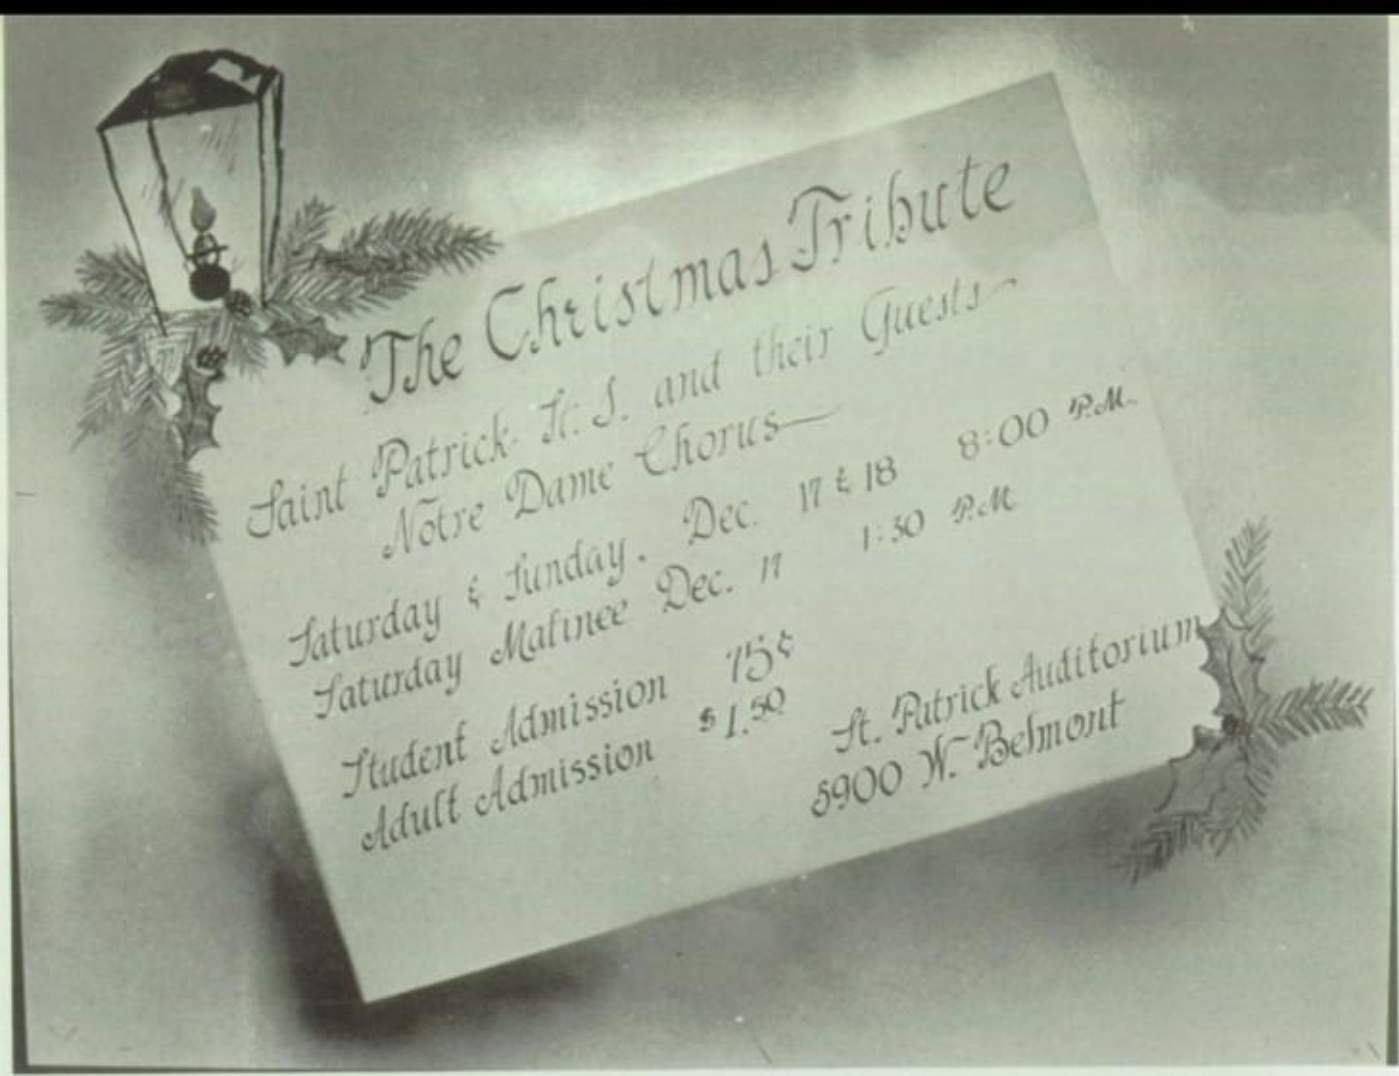

William Bierie explains his top physics project to Mr. Goldberg.

Freshman Richard Harig displays his solar cell project.

Daryl O'Rourke won a first place award for his astronomy project.

THE CHEERLEADERS

The Cheerleaders, under the direction of Mr. Barrett, have done a terrific job of raising school spirit in their two years of service. The girls, top notch students from surrounding Catholic schools, spend long hours in practice each week, and the results are evident to anyone who has attended any football or basketball game.

CHORUS

BROTHER LOUIS, MODERATOR

Increased difficulty of surpassing the achievements of recent years has failed to prevent the Chorus from attaining new heights in excellence this year. The Chorus of Notre Dame assisted us at the annual Christmas Concert and the total effect was majestic; a magnificent performance acclaimed by all.

This year the Chorus was under the leadership of Brother Louis. Through his hard work the Chorus has attained another level of unsurpassed excellence.

MR. BLASUCCI, MODERATOR

DANCE COMBO

The Dance Combo, under the able direction of Mr. Blasucci, has proved their worth in this past year. The results of their hard and long hours of practice are exemplified in their fine playing. They did a fine job of playing for the assemblies and in the new recording of the school song.

HOMECOMING

Homecoming Court 1966: (top row, l. to r.) Miss Peggy Bieze, Homecoming Queen, Miss Carol Slowek, 2nd runner-up, and Miss Corrine Morone; (bottom row) Jean McSheehy and Janice Ricci.

October 14-15, 1966

Beginning Homecoming 1966 festivities was a first for St. Patrick—a Saturday night pep rally to promote student support. On October 14, Patsmen and their ladyfriends crowded the gym to hear football players predict the demise of future opponents, especially St. George.

Our rally paid off. The Shamrocks HIT and HIT hard. St. George's Dragons were roasted, 56—0, in front of an overflowing, but exuberant crowd.

HOMECOMING

'66

Kicking off the Homecoming Day festivities was the judging and awarding of prizes to decorated cars, at 12 noon, in the school parking lot. A parade was formed that proceeded, under police escort, to Hanson Stadium, Fullerton and Central Avenues.

Halftime ceremonies commenced with the presentation of the Homecoming court and the crowning of the 1966 Homecoming Queen, Miss Peggy Bieze of Mother Guerin High. Peggy's escort was Wayne Stephan; the master-of-ceremonies was Dan Ivers.

SPORTS

WE ARE THE . . .

The 1966 Shamrocks were one of the finest football teams ever to play at St. Patrick. Under the experienced coaching of Mr. Dempsey and Mr. Hester, the Shamrocks finished the season with a fine 8 and 1 record. The team played brilliant football early in the season, defeating Lane, Taft, and Thorton of Harvey. After crushing St. Mel and St. George, the Shamrocks lost a hard fought upset to De LaSalle. They came back with renewed spirit, however, and playing fine football, went on to win the rest of their league games and one post-season game with Spaulding of Peoria, a downstate power.

The fine success of the Cross-Country team this year can be attributed to long hours of hard work by outstanding prospects combined with the experienced coaching of Brother Thomas Murray. The team took first place in CPL competition, and has a very impressive record of first and second place awards. They took sixth place in the state district, competing against some of the toughest teams in the state.

They are in third place in the CPL, with St. Ignatius and St. Joseph of Westchester holding the number one and two spots. Although the team has some fine bowlers, they were plagued with a lack of consistency.

The Frosh-Soph team holds first place in the CPL. There is fine pride and much determination among them, coupled with good bowling abilities. They are the nucleus of next year's varsity, and they show great promise.

ACKNOWLEDGMENTS

Time, effort and planning are the essential features of any publication, particularly in the case of a yearbook. Although in many cases these efforts seem futile they do not go unrewarded. Memories and joys of learning are indeed adequate. For these results the staff of the yearbook extends its appreciation to Mr. Paul J. Riley, our moderator, for his invaluable assistance and help in making the book what it is. His dedicated efforts to become an integral part of the actual working force of the staff proved his ability and interest in a school activity.

Our thanks also goes to Mr. Edwin C. Hackleman, the representative from the American Yearbook Company, for his ideas and assistance in the details of the book. Our gratitude to Mr. Leonard Novak whose excellent photography and experience combined to give us the needed pictures. Last but not least, we thank the student body for being what it is . . . the best and finest.
